Dear US Congresswoman Val Demings:

Happy Sunday!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael hopes US Congresswoman Val Demings's family will have the most fabulous Sunday!!!!!!!!!!!!!!!!!!!!!!

Michael wishes the US Congresswoman Val Demings will become a beautiful young supergirl,
wonder woman, invincible, and live forever.

Michael hopes US Congresswoman Val Demings's family will have the most magnificent magical year in
2022!!!!!!!!!!!!!!!!!!!!!!

GREATEST NEWS!!!!!!!!!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael is so thankful and sincerely appreciates US Congresswoman Val Demings's time and valuable email today May 22, 2022, an email on May 21, 2022, two emails on May 20, 2022, an email on May 19, 2022, an email on May 18, 2022, an email on May 17, 2022, an email on May 16, 2022, an email on May 15, 2022, an email on May 13, 2022, and many more. Many thanks!!!!!!!!!!!!!!!!!!!!!! Michael would like to update US Congresswoman Val Demings on the issue that matters to Michael the most. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, for example, many computers can't run correctly because they have outdated or are old computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't want to continue to use all the outdated computers because we can legally print money from our American and world treasury departments. We don't want to continue to work with the outdated American and world laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever.

Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into law immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US Congresswoman Val Demings needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law and sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial

freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Furthermore, Michael is internally grateful for many emails from First Lady Dr. Jill Biden, President Joe Biden, Democrats, Senator Jacky Rosen, Catherine Cortez Masto, Chairwoman Dr. Dina Titus, Vice President Kamala Harris, Chairman Jamie Harrison, Senator Majority Leader Charles Schumer, Senator Lizabeth Warren, Nancy Pelosi, Senator Maggie Hassan, Chairwoman Ronna Mc Daniel, Vice-Chairwoman Tammy Duckworth, President of Heritage Dr. Kevin Roberts, Newt Gingrich, Former First Lady Mitchel Obama, Former Former President Barack Obama, Bill Gates, Dr. Ben Carson, Senator Cory Booker, Senator Mark Kelly, Republican Party, Congresswoman Ilhan Omar, Senior Director of United Nations Association – USA, Farah Eck, Director of United Nations Association – USA, Rachel Bowen Pittman, World Bank Live Updates, CBS News, CNN News, Trump News, Young America's Foundation – Reagan, Medium Daily Digest, US Congressman Jeff Duncan, Ted Cruz, LVMPD Foundation, Jimmy Carter, Clinton Foundation, George W. Bush Presidential Center, United Nations Foundation, Lizabeth Cousens and many other politicians globally, to fight every day for the most significant future for the American and international people. I liked that First Lady Dr. Jill Biben's email stated on April 25, 2022, **"MICHAEL -- when Joe launched his campaign for President three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. I'm so thankful and sincerely appreciate many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!! I liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work against our human free will and our paradise dreams about many money problems. We need to reform the outdated American and world laws to give us the

most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, they need to be reformed and signed into law with financial freedom highest class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. Subject: One thing that I've learned in life is that you've got to have faith.

Friend: This is a longer and especially important email about why I'm running for Senate. It's important for me to share my story with you and tell you why this campaign means so much to me. I hope you'll give it a read.

I was raised in Jacksonville, Florida – and I've got to say, when you grow up in the South poor, Black and female, you've *got* to have faith. It's something I learned from my parents. Mom was a maid, Dad was a janitor, and my goodness they worked *hard*. And although we didn't have a lot of money – although life was tough sometimes – we had each other. We had love. We had *faith*. I've carried that spirit with me my entire career.

That faith that things can get better, that we can do some good in the world, inspired me to get into public service. In fact, my mom used to say to me, "Never grow tired of doing good, Val – *never* tire." And so for me, growing tired was never an option. It's what pushed me to become the first in my family to graduate college. It's also what pushed me to serve 27 years in the Orlando Police Department, where eventually I became the first woman to lead the department. And it pushed me to run for Congress and represent my community.

I will never tire of the opportunities to do good or the challenges to tackle before me, and I'm asking you to do the same. Pitch in a contribution of \$5 or more before my midnight deadline to help me defeat Marco Rubio, win in Florida and defend our Senate majority.

Never tire. These are the words that resonate in my mind each and every day that I serve the people of Florida's 10th District in Congress. They've stuck with me as I've fought to put an end to gun violence, especially as the horror of that violence struck our district at Pulse Nightclub in Orlando. We mourned, deeply. But we resolved

to fight for change, to never tire – and I won't stop until long-overdue action on gun violence is finally realized.

Never tire, I said to myself as I took on a habitual offender who occupied the most powerful office in the world: President Donald Trump. Unlike some in Washington, I *never tire* of standing up for what I believe is right, and I carried that with me as I fought to impeach him, because no one is above the law.

This is my story, friend: Only in America can a little Black girl, the daughter of a maid and a janitor growing up in the South in the '60s, have a story so filled with opportunities like these. Now, I'm ready to meet a new moment, to do more good for Floridians. **I am ready to be the next U.S. senator for Florida – and together, with you never tiring alongside me, I know we can win.**

So I need your support, friend. This campaign is a battle of many things, and an unfortunate reality among them is resources. The Republican Party is already proving they will spend whatever it takes to protect Marco Rubio, so if you're with me, if you want to elect Florida's first Black senator and defend our majority in the Senate, please donate \$5 or whatever you can before my midnight deadline.

Thank you for being in this with me. *Never tire.*
