Dear Jason Davidson:

Happy Memorial Day 2022!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael hopes Jason Davidson's family will have the most fabulous holiday!!!!!!!!!!!!!!!!!!!!!!

Michael hopes Jason Davidson's family will have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!!!

Michael wishes Jason Davidson would become a young muscular superman, invincible, and live forever.

GREATEST NEWS!!!!!!!!!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael is so thankful and sincerely appreciates Jason Davidson's time and valuable today May 30, 2022, an email on May 4, 2022, and many more. Many thanks!!!!!!!!!!!!!!!!!!!!!! Michael would like to update Jason Davidson on the issue that matters to Michael the most. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, for example, many computers can't run correctly because they have outdated or are old computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't want to continue to use all the outdated computers because we can legally print money from our American and world treasury departments. We don't want to continue to work with the outdated American and world laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic

computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever.

Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Fairly, all American people need to have a \$2,000 payment for adults and a \$1,000 payment monthly for kids immediately and continuing regular checks for the duration of the crisis. Otherwise, laid-off workers, furloughed workers, the self-employed, and workers dealing with reduced hours will struggle to pay their rent or put food on the table. This [chang.org](https://www.chang.org) petition has more than 3, 042,000 people signed, and it is on the national news.

Dear US President, Joe Biden, Senators, Representatives, and IRS:

Thank you very much for the excellent help with Michael's \$1,400 Stimulus Check!!!!!!!!!!!!!!!!!!!!!!

Michael received Michael's \$1,400 Stimulus Check direct deposit to Michael's bank on March 17, 2021. Many thanks!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Additionally, Michael hopes that Michael will get \$1 TRILLION STIMULUS CHECK deposits to Michael's bank account as soon as

possible. PLEASE TRY TO UNDERSTAND AND HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please at least approve the 'RECURRING STIMULUS CHECKS' as soon as possible!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

PLEASE TRY TO UNDERSTAND AND HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

GREAT NEWS!!!!!!!!!!!!!!!!!!!!!! Please review the more information on the 'RECURRING STIMULUS CHECKS' at the links below:

.....AND MANY MORE!!

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into law immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal

Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, write to Mr. President Joseph Biden and ask Mr. President to help us automatically reform our outdated American law and sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Bush Presidential Center, United Nations Foundation, Lizabeth Cousens and many other politicians globally, to fight every day for the most significant future for the American and international people. I liked that First Lady Dr. Jill Bibeau's email stated on April 25, 2022, **"MICHAEL -- when Joe launched his campaign for president three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!! Michael liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work against our human free will and our paradise dreams about many money problems. We need to reform the outdated American and world laws to give us the most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. Subject: Manatee population is incredibly vulnerable

Dear Michael,

559 Florida manatees have already died this year. This is a crisis for manatees, and it was entirely preventable. But Big Cruise companies like Carnival Corp. are contributing to their deaths through the DESTRUCTION of the habitat of these docile creatures -- all while turning a profit. **[Make your \\$27 contribution to Friends of the Earth and hold Big Cruise accountable for their attacks on manatees!](#)**

Manatees are counting on you, Michael, and time is not on our side. With the tragic record-setting loss of 1,100 manatees last year, we can't afford to lose any more. Your support is critical to their survival and the survival of other threatened species and our planet. As companies like Carnival Corp. are actively harming the habitats of our most vulnerable creatures and working to hide the evidence, we must take a stand against their irresponsible actions.

You see, Big Cruise companies have been caught and fined millions of dollars time and again for blatantly dumping TOXIC wastewater into our oceans. This dumping can lead to thick algal blooms forming on the

water's surface, blocking sunlight, and killing off seagrass -- the main source of food for manatees. These grazing critters need to eat 10 percent of their body weight a day, and the lack of seagrass is starving them to death as we speak. But these cruise companies are STILL dumping to this day, with no regard for the consequences.

Manatees don't have enough food to survive -- and they are dying in record numbers. Take a stand for manatees and our planet with your \$27 contribution.

When these massive cruise ships dock at ports near shore, they stir up sand and contaminants in the water. This can reduce the water quality for the manatees living there, **polluting their habitat and food sources.**

The importance of manatees to the surrounding ecosystem cannot be overstated. They help keep vegetation in check by preventing it from overgrowing, while also consuming invasive species. They are important for the overall fertilization of underwater vegetation, making the entire ecosystem run smoothly for other sea life.

Because manatees are indicators of the health of an ecosystem, this tragedy may be extended beyond the utter decimation of these gentle creatures.

The seagrass die-off and the bulk of manatee deaths are happening in the Indian River Lagoon, which stretches along 156 miles of coastal Florida -- and is also home to more than 4,400 species of plants and animals. If manatees are not alive to contribute towards ecosystem regulation, we may soon see more plants and animals struggle to survive as their ecological communities are thrown off-kilter.

4,400 plant and animal species could be at risk with manatees dying. Protect our most vulnerable species and our planet with your \$27 gift.

The impact of irresponsible actions taken by Big Cruise companies extends to humans as well. Seagrass beds store 18 percent of the world's oceanic carbon, keeping our planet from warming at an even faster rate than it already is. They also provide coastal communities with protection from storm surges, especially important as we see sea levels rise globally.

But we are facing the increasingly severe impacts of climate change at a rate faster than we can adapt. If Big Cruise companies like Carnival Corp. continue to **RECKLESSLY dump toxic wastewater into our ocean waters**, we could see the degradation of one of the few tools we have to slow down some of the impacts of climate change.

The future is in our hands, Michael. We must hold this industry accountable for the severe harm they are causing to animals, people, and our planet and demand that they reduce their toxic wastewater emissions. But to do that, we need your membership support today.

Make your contribution of \$27 or more to Friends of the Earth so we can fight for manatees, other vulnerable species, and the future of our planet!

Big Cruise is putting their profits over the survival of manatees, people, and our planet. Help hold them accountable and make your \$27 contribution today!
