MICHAEL, the United States Supreme Court has now confirmed that the draft opinion that would overturn *Roe v. Wade* is genuine. *Roe* ensures a woman's right to choose to have an abortion. It also, at its root, protects the fundamental right to privacy.

What is clear is that opponents of *Roe* want to take away people's rights to make decisions about their own bodies -- and we won't stand for it. We must elect more leaders to protect reproductive freedom. The DNC is essential to that mission, so I'm coming to you personally to ask:

**Will you rush \$7 to the DNC today to support the organizing, voter protection, and grassroots programs that will help elect pro-choice Democrats nationwide?**

DONATE: \$7

DONATE: \$10

DONATE: \$25

**DONATE: \$50**

**DONATE: \$100**

**Donate another amount**

This decision could throw other decisions involving the notion of privacy into question. Make no mistake: This is the time to fight with everything we have.

**Make a \$7 donation to the DNC today to help elect Democrats up and down the ballot to fight for reproductive rights.**

Thank you for all that you do,

Kamala
