Though not unexpected, Monday night's reports that the Supreme Court seems poised to overturn *Roe v. Wade* were a gut punch.

I know that a lot of folks woke up Tuesday morning feeling hopeless. But we have to keep fighting, MICHAEL. I'm more motivated than ever to keep fighting like hell to ensure abortion remains safe and accessible across the country.

**Our work to elect pro-choice leaders to protect reproductive freedom is so important. Rush \$7 now to support the organizing efforts, voter protection, and more Democrats will rely on to beat back anti-choice radicals' ongoing attacks.**

DONATE: \$7

DONATE: \$10

DONATE: \$25

DONATE: \$50

**DONATE: \$100**

**Donate another amount**

Holding the anti-choice radicals accountable for their attacks on our rights is going to require support from dedicated Democrats like you, so I'm asking:

**Can I count on you to make a \$7 donation to the DNC? There's never been a more important time to fight for reproductive rights and elect pro-choice leaders in every corner of the country.**

With you in this fight,

Gretchen

Gretchen Whitmer  
49th Governor of Michigan
