Dear Ladies and Gentlemen or Kings or Queens:

**Congratulations!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

Happy Sunday!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I hope kings or queens will have the most beautiful Week!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I hope kings or queens will have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!!!

Greatest news!!!!!!!!!!!!!!

I can not thank you enough. I am truly grateful for more than 7 billion Americans and the international voter families worldwide as all voters legally support my petition 'Makes America Greatest Place on Earth.' Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully highest-class lifestyle. Each of us will have trillion and trillion U.S. dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come.

Fairly, I think all laws in the world need to work for people's paradise dream about absolute financial freedom and peaceful lives. The outdated American and world rules right now are against our human free will, and they are the most significant human errors and violate the constitution. They need to have the Judicial Review and reform immediately without delay or as soon as possible. These financial freedom human rights need to be the biggest priority and justice. I have published my story on Medium professional journalism, and Medium is owned by Evan Williams, Twitter co-founder and former CEO. Social journalism will include CNN, Forbes.com, Medium, and many more. you can review it at the link below:
