Dear Gillian:

Happy Sunday, October 10, 2021!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish you will have the most magnificent magical Sunday!!!!!!!!!!!!!!

I wish you will have the most excellent magical year in 2021!!!!!!!!!!!!!!

Thank you very much for your valuable reply. I have emailed Farah Eck, Rachel Pittman, Victoria Deng, and Madeline Hren about my UN Universal Declaration of Human Rights Reform. I hope it will be done shortly so that each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peaceful, highest-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. I wish you will have the most magical vacation, and I love to hear some of the most fantastic news from the UNA-USA Team soon.

Fairly, let us stand up and fight for the American and international people to have financial freedom forever. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. Honestly, the US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom. Our American and the outdated International Laws need to automatically reform to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can. The world government can legally print money from the treasury departments. Still, many people in the world are hurting for cash and desperate for money, so our world money problem human rights need to be the most priority and justice. We need to end all low-class and middle-class lifestyles as soon as possible. We need to live only in the highest-class lifestyle world.

Furthermore, our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights. These are significant human errors, so we need to automatically replace the American laws and the International Law outdated to give all people in the world trillions and trillions (US dollars) or the world currencies in their bank account all the time so that we can enjoy our real paradise lives. This human right needs to be a priority, and it needs to be justice. We need to end all low-class and middle-class lifestyles as quickly as possible. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political

parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world. Would you please try to understand and help?

Thank you very much for your valuable reply email. Additionally, thank you very much for many of the greatest works from, You, UNA-USA Team, UN, Nancy Pelosi – Speaker of House Representatives, US Senator Jacky Rosen, US Congresswoman Dina Titus, US Senator Catherine Cortez Masto, US First Lady Dr. Jill Biden, President Joe Biden, Vice President Kamala Harris, US Senators, House of Representatives, Senate Committee Budget Chairman Bernie Sanders, Majority Leader Chuck Schumer, the Committee on Ways and Means, Chairman Richard Neal, President Donald Trump, Democratic Party, and Republican Party have helped the American People to survive from the COVID-19 crisis. Especially, the World Bank and the International Monetary Fund (IMF) have contributed many grants and loans to help people globally to survive during the COVID-19 crisis. The World Bank and IMF both try to promote international financial stability and monetary cooperation. Their mission also facilitates international trade, promotes employment and sustainable economic growth, and helps to reduce global poverty. The World Bank has 189 member countries, and the IMF has 190 member countries, and they commit to reducing poverty and making the world the richest place possible.

Truthfully, the World Bank Group and International Monetary Fund have funded many grants and loans to many countries worldwide during the Coronavirus (COVID-19) crisis. Please review more information about them at the links below:

Honestly, I think you are one of the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical UNA – USA Communication Officers. Keep up your most outstanding works. I have reviewed and watched your background and videos. I think you are really caring for the poor people globally about human rights, money problems, and many more. I have seen you work very hard as you tried to help poor people from time to time. The easier way to help the money problem people in the world is to give them all financial freedom for each human being, including all newborn children, as soon as possible. I have seen that the UN Universal Declaration of Human Rights needs to be reformed immediately or as quickly as possible for everybody globally to have financial freedom. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to end the low-class and middle-class lifestyles as soon as possible. Please review my learning about the UN Universal Declaration of Human Rights and your background at the links below:

I also have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Thus, we should love each other like the greatest friend. We should build the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally financially freedom for each human globally, including the newborn children. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom paradise highest-class lifestyle together forever. This human right needs to be the most priority and justice. It means we need to reform the UN Universal Declaration of Human Rights to give all people in the world financial freedom right away without delay, or it needs to improve as possible automatically.
