Dear WBG President David Malpass:

Congratulations!!!!!!!!!!!!!!

Happy Friday, October 15, 2021!!!!!!!!!!!!!!!!!!!!!!

I wish you and your family will have the most excellent Friday!!!!!!!!!!!!!!

I wish you and your family will have the most magnificent magical year in 2021!!!!!!!!!!!!!!

It was the highest honor to watch your 2021 Annual Meetings from October 11-15, 2021. Truthfully, I think you are one of the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical WBG Presidents in the world. Keep up your most exceptional works. I have seen that you are really caring for many poor people globally about human rights, money problems, and many more. Honestly, I have noticed that you have worked very hard as you tried to help the world's poor people from time to time. The easier way to help the money problem people globally is to give them all financial freedom for each human being in the world, including all newborn children, as soon as possible. More than a trillion US dollars and the world currencies will help fix climate change, COVIB-19 Pandemic, wars, crimes, and they will help totally end poverty forever.

Additionally, I also have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Thus, we should love each other like the greatest friend. We should build the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally financially freedom for each human globally, including the newborn children. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom paradise highest-class lifestyle together forever.

I think it is a time to build our world to have the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally financially freedom for each human globally, including the newborn children. I have seen that ahead of the World Bank Group (WBG) - International Monetary Fund (IMF); World Bank Group President David Malpass will be a true hero to make our absolute paradise dream

come true. More than 7 billion Americans and international voter families worldwide will sincerely appreciate your help because you will make our paradise dreams come true. We really need a true hero, and you are a chosen one. Thus, the World Bank Group and the International Monetary Fund need unlimited contribute grants to the pandemic and all money problems in the world without delay or as soon as possible. We can not hurt ourselves with money problems because we can legally print money papers quickly or make a direct deposit quickly. This human right needs to be the most priority and justice.

Finally, it is time for a big celebration, and we will deeply appreciate that World Bank Group President David Malpass will be the first to receive trillion and trillion US dollars and the world currencies in your bank account. Thus, you and your family can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. You and your family should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom, paradise highest-class lifestyle together forever.

Fairly, it is a human error to live a life of sadness and against our free will throughout world history. Let us stand up and fight for the American and international people to have financial freedom forever. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. Honestly, the US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom. Our American and the outdated International Laws need to automatically reform to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can. The world government can legally print money from the treasury departments. Still, many people in the world are hurting for cash and desperate for money, so our world money problem human rights need to be the most priority and justice. We need to end all low-class and middle-class lifestyles as soon as possible. We need to live only in the highest-class lifestyle world.

Furthermore, our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights. These are significant human errors, so we need to automatically replace the American laws and the International Law outdated to give all people in the world trillions and trillions (US dollars) or the world currencies in their bank account all the time so that we can enjoy our real paradise lives. All world governments need to reform their outdated laws to give everybody financial freedom and peaceful life forever. They need to raise their country's government budgets to the highest accounts possible or unlimited grants to fund everyone who has a money problem globally. Thus, we need to end the low-class and middle-class lifestyles as soon as possible. We need to live only in the highest-class lifestyle world. When we have the highest-class lifestyle world, war, crime, COVID-19, climate change, and inequality will be under control so that everybody in the world will enjoy the real paradise lives or have peace with full of enjoyment world forever. This human right needs to be a priority, and it needs to be justice. We need to end all low-class and middle-class lifestyles as quickly as possible. We need to live only in the highest-class lifestyle world.

Moreover, International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world. Thus, the World Bank Group and the International Monetary Fund need unlimited contribute grants to the pandemic and all money problems in the world without delay or as soon as possible. We can not hurt ourselves about money because we can legally print money papers quickly or make a direct deposit quickly. This human right needs to be the most priority and justice. Truthfully, the World Bank Group and International Monetary Fund have funded many grants and loans to many countries worldwide during the Coronavirus (COVID-19) crisis. GREATEST NEWS!!!!!!! I have received a valuable prompt response from Nancy Pelosi – Speaker of the House Representatives. She deeply appreciated my idea and comment, and she encouraged me to contact the local Member of Congress to represent me in Washington DC. I liked that she stated House Democrats are advancing the most priority for American people values. She is working with the Biden-Harris Administration and the new Democratic Majority in the Senate to ensure that our nation will not only recover from the coronavirus and economic crises, but our America will Build Back Better in a way that will advance justice and equality for all American people. I also received a valuable response from my local Member of Congress, and Senator Catherine Cortez Masto stated that she would represent me in Washington DC.
