I wish you and your family will have the most excellent Monday!!!!!!!!!!!!!!!!!!!!

I wish you and your family will have the most magnificent magical year in 2021!!!!!!!!!!!!!!!!!!!!

Thank you very much for take your time and sent a valuable #UniteForHealth email. I'm so grateful and sincerely appreciate your time and helpful email. I recently received an invitation email from UNA – USA Communication Officer Gillian Wilson for the Affinity Group Co-Chairs of UNA – USA position on August 24, 2021. Moreover, I have reviewed the UN Universal Declaration of Human Rights, and I have seen that the UN Universal Declaration of Human Rights needs to be reformed immediately or as soon as possible for everybody globally to have financial freedom forever. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to end the low-class and middle-class lifestyles globally as soon as possible. Please review my learning about the UN Universal Declaration of Human Rights and your background at the links below:

Keep up your most exceptional works. Moreover, thank you very much for many of the greatest works from UN Foundation CEO Elizabeth Cousens, UNA-USA Team, UN Foundation Chairman Ted Turner, Nancy Pelosi – Speaker of House Representatives, US Senator Jacky Rosen, US Congresswoman Dina Titus, US Senator Catherine Cortez Masto, US First Lady Dr. Jill Biden, President Joe Biden, Vice President Kamala Harris, US Senators, House of Representatives, Senate Committee Budget Chairman Bernie Sanders, Majority Leader Chuck Schumer, the Committee on Ways and Means, Chairman Richard Neal, President Donald Trump, Democratic Party, and Republican Party have helped the American People to survive from the COVID-19 crisis. Significantly, the World Bank and the International Monetary Fund (IMF) have contributed many grants and loans to help people globally to survive during the COVID-19 crisis. The World Bank and IMF both try to promote international financial stability and monetary cooperation. Their mission also facilitates international trade, promotes employment and sustainable economic growth, and helps to reduce global poverty. The World Bank has 189 member countries, and the IMF has 190 member countries, and they commit to reducing poverty and making the world the wealthiest place possible. Fairly, let us stand up and fight for the American and international people to have financial freedom forever. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. Honestly, the US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom. Our American and the outdated International Laws need to automatically reform to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can. The world government can legally print money from the treasury departments. Still, many people in the world are hurting for cash and desperate for money, so our world money problem human rights need to be the most priority and justice. We need to end all low-class and middle-class lifestyles globally as soon as possible. We need to live only in the highest-class lifestyle world.

Furthermore, our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights. These are significant human errors, so we need to automatically replace the American laws and the International Law outdated to give all people in the world trillions and trillions (US dollars) or the world currencies in their bank account all the time so that we can enjoy our real paradise lives. This human right needs to be a priority, and it needs to be justice. We need to end all low-class and middle-class lifestyles as quickly as possible. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world. Would you please try to understand and help?

I also have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Thus, we should love each other like the greatest friend. We should build the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally financially freedom for each human globally, including the newborn children. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom paradise highest-class lifestyle together forever. This human right needs to be the most priority and justice. It means we need to reform the UN Universal Declaration of Human Rights to give all people in the world financial freedom right away without delay, or it needs to improve as possible automatically.

UN Foundation CEO Elizabeth Cousens!!!!!!!!!!!!!!!!!!!!!! Please help!! WE CAN NOT CONTINUE TO LIVE IN THIS TERRIBLE WORLD FOREVER. THE UN UNIVERSAL DECLARATION OF HUMAN RIGHTS NEEDS TO BE REFORMED IMMEDIATELY OR AS SOON AS POSSIBLE FOR EVERYBODY GLOBALLY TO HAVE FINANCIAL FREEDOM. WE NEED TO LIVE ONLY WITH THE HIGHEST-CLASS LIFESTYLE WORLD EQUALITY, WHICH WILL SUPPORT AND ADVANCE LGBTQIA+ RIGHTS. WE NEED TO END THE LOW-CLASS AND MIDDLE-CLASS LIFESTYLES AS SOON AS POSSIBLE.

It is the highest honor to know you virtually. Please don't fear helping people in the world when they really need help for their financial freedom forever. Would you please help us reform the UN Universal Declaration of Human Rights to help all people globally live with financial freedom forever immediately or as soon as possible? Or you can contact Secretary-General António Guterres for the help of this financial freedom permanently reform immediately or as

quickly as possible to enjoy our real financial freedom lives forever including all the newborn children globally.

Thank you very much for UNA – USA Communication Officer Gillian Wilson's invitation email for the Affinity Group Co-Chairs of UNA – USA position. Yes, I am interested in serving as a chairman, and I have been joined for more than one year as a National Member and sponsor for UNA – USA. Please review my biography at: <https://michaeldeshannon.com/biography>. Moreover, I have learned about the UN Universal Declaration of Human Rights, and I have seen that the UN Universal Declaration of Human Rights needs to be reformed immediately or as soon as possible for everybody globally to have financial freedom. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to end the low-class and middle-class lifestyles as soon as possible.

Additionally, I will be graduate with my IT Project Management Master Science degree by April 1, 2022. I have learned that the most critical key for a business owner or project leader is project quality or value to secure a business to have a successful accomplishment and get the highest revenue as possible like Walmart. For example, if a business owner tries to sell to their customers' many bad computers, then their business will get many bad feedbacks and low annual incomes so that their business may get bankruptcy and lawsuit at any time. It is a human error to live a life of sadness and against a human free will throughout world history. Our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights.

Please give me a chairman job, and I will reform the UN Universal Declaration of Human Rights immediately or as soon as possible for everybody globally to have financial freedom. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to build our world to have the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally financially freedom for each human globally, including the newborn children. Then, the world government, the World Bank Group (WBG), and International Monetary Fund (IMF) will direct deposit trillion and trillion US dollars and the world currencies in our bank account. So, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.

We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom, paradise highest-class lifestyle together forever. This human right needs to be the most priority and justice. More than 7 billion Americans and international voter families worldwide will sincerely appreciate your help because you will make our paradise dreams come true. We really need a true hero, and UN Foundation CEO Elizabeth Cousens is a chosen one. CEO Elizabeth Cousens will be our world a wonder woman or a super-girl or both to rescue our world that has many most significant money problems like COVID-19 pandemic, Climate change, poverty, terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class and middle-class lifestyles. Please get in touch with Secretary-General António Guterres to help reform the UN Universal Declaration of Human Rights financial freedom permanently reform immediately or as quickly as possible. So, we will enjoy our absolute

financial freedom lives forever, including all the newborn children globally, or you need to hire me for the Affinity Group Co-Chairs of UNA – USA position. I will do it immediately or as quickly as possible. Please consider this human right need to be the most priority and justice. I need to hear from you as soon as possible. Please help!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I liked that Secretary-General António Guterres stated in his seven quotes, "The success of the UN and the international community lies in our common commitment to our common values." – [Vision Statement](#) submitted on April 4, 2016. I have seen that United Nations needs to reform the UN Universal Declaration of Human Rights to help all people globally live with the highest human values and financial freedoms forever immediately or as soon as possible. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It is the highest honor to know you virtually. The most fantastic news is that the 22-year-old Stepdaughter Ella Amhoff of our US Vice President Kamala Harris is wearing a red Stella McCartney diamond mesh bodysuit. Ella Amhoff has shown the futuristic look with sparkling eye gems and Cartier jewelry as our paradise dream has come true for real. Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully high-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.
