

Dear everyone or King and Queen:

Congratulations!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Happy Wednesday, October 20, 2021!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish King and Queen will have the most beautiful Wednesday!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish King and Queen will have the most excellent year in 2021!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I can not thank you enough, and I am truly grateful for more than 7 billion Americans and the international voter families worldwide as all voters legally support my petition 'Makes America Greatest Place on Earth.' I think all laws in the world need to work for people's paradise dream about absolute financial freedom and peaceful lives. The outdated laws right now are against our human free will, and they are human errors that need to be automatically updated as soon as possible. This human right needs to be the biggest priority and justice.

Additionally, since we can lawfully print money from our US Treasury Department, we need to print all cash for our enjoyment, and we also need to live with the most superlative advanced technology highest-class lifestyle with true financial freedom and peaceful lives equality forever. We need to end the middle and low-class lifestyles as soon as possible. We need to live only the highest-class lifestyle with financial freedom and peaceful lives equality for everyone in the world forever.

GREATEST NEWS!!!!!!!!!!!!

Today I would like to let you know that I am so thankful for more than 7 billion Americans and the international voter families worldwide. I have considered truthfulness in your magical natural powers because our paradise dreams will come true. Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully high-class lifestyle. Each of us will have trillion and trillion US dollars and world currencies in our bank account all the time. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.

I have contacted Mr. U.S. President Joe Biden (First Lady Dr. Jill Biden), Former First Lady Michelle LaVaughn Robinson Obama, Senator Jacky Rosen, Senator Catherine Cortez Masto, Senate Committee Budget Chairman Bernie Sanders, House Speaker Nancy Pelosi, Senator Raphael Warnock, Congresswoman Dina Titus, WBG President David Malpass, UNA - USA Team, UN Foundation Chairman Ted Turner, UN Foundation CEO Elizabeth Cousens and Congressman Jeff Duncan. I am waiting for their responses.

Additionally, it was the highest honor to receive a valuable invitation mail from Sheriff Joe Lombardo and the Board of Directors for the Las Vegas Metropolitan Police Department Foundation to attend the 8th ANNUAL SHERIFF SOLUTES THE BEST BAGDE 2021 GALA at the Wynn Las Vegas Hotel and Casino on November 5, 2021. I'm so grateful and sincerely appreciate their time and valuable invitation mail. I'm so thankful and sincerely appreciate their

time and work very hard to maintain Las Vega's public safety and peaceful place for tourist enjoyment from time to time. Significantly, the Las Vegas Metropolitan Police Department (also known as the LVMPD) has worked very hard during the COVID-19 pandemic crisis. However, I may not attend the 8th ANNUAL SHERIFF SOLUTES THE BEST BAGDE 2021 GALA at the Wynn Las Vegas Hotel and Casino on November 5, 2021, because I try to work with the United Nations Foundation to reform the UN Universal Declaration of Human Rights, immediately or as soon as possible for everybody globally to have financial freedom forever. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights, and we need to end the low-class and middle-class lifestyles globally as soon as possible. This human right needs to be the most priority and justice.

Furthermore, I am positive that UN Foundation Chairman Ted Turner will give us the most significant break to reform the UN Universal Declaration of Human Rights immediately or as soon as possible for everybody globally to have financial freedom forever. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to end the low-class and middle-class lifestyles globally as soon as possible. Please review my learning about the UN Universal Declaration of Human Rights and UN Foundation Chairman Ted Turner background at the links below:
