Dear Communication Officer Gillian Wilson:

Happy Saturday, October 23, 2021!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish you will have the most magnificent magical Saturday!!!!!!!!!!!!!!!!!!!!

I wish you will have the most excellent magical year in 2021!!!!!!!!!!!!!!!!!!!!

Thank you very much for taking your time and giving a valuable “SPECIAL MESSAGE FROM PRESIDENT BIDEN TO UNA-USA MEMBERS IN RECOGNITION OF UN DAY.”

I'm so grateful and sincerely appreciate your time and helpful special valuable UN DAY message from US President Joe Biden. I liked that Mr. President wrote at the end of his message, “The United Nations remains critical to advancing security, climate, foreign policy interests across the globe. May we all renew our shared commitment to building the future that advances peace, dignity, and security for all.”

Additionally, I have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Truthfully, we are together like one biggest world full of loves. We are the most fantastic friends together in one most extraordinary world – The United Nations, the World Bank Group, and the International Monetary Fund.

Furthermore, surprisingly, our greatest hero is United Nations Foundation Chairman Ted Turner. He is really our greatest hero, and he is a chosen one. I'm so grateful and sincerely appreciate our United Nations Foundation Chairman Ted Turner, who has worked very hard to help the world for peace, honor equality, and the most prosperous globally. United Nations Foundation Chairman Ted Turner will be our world superman or superhero or both to rescue our world that has many most significant money problems like COVID-19 pandemic, Climate change, poverty, terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class and middle-class lifestyles. I have emailed him and asked him to assign Mr. President of the 76<sup>th</sup> UN General Assembly Abdulla Shahid and Mr. Secretary-General António Guterres to help reform the UN Universal Declaration of Human Rights financial freedom permanently reform immediately or as quickly as possible.

Moreover, we should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom and paradise highest-class lifestyle forever because the United Nations Foundation has 193 countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. We have one biggest world full of loves and friendships. This human right needs to be the most priority and justice. More than 7 billion Americans and international voter families worldwide will sincerely appreciate this greatest help from United Nations Foundation Chairman Ted Turner as he will make our paradise dreams come true. We really need a true hero, and United Nations Foundation Chairman Ted Turner is a chosen one. I was one of the greatest fans of his classic Fame and Christmas Story movies and James Bond and Rocky franchises and television programs in the 1980s. I liked that Irene Cara's Fame song of 1982 that has lyrics so powerful like:

"I can catch the moon in my hand

Don't you know who I am?

Remember my name

I'm gonna live forever

I'm gonna learn how to fly (High)

I feel it coming together

People will see me and cry

I'm gonna make it to heaven

Light up the sky like a flame

(Fame)

I'm gonna live forever..... Please watch the YouTube video song at a share link below:

I loved all Rocky movies, and I think Sylvester Stallone is the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical film superstar actor, director, writer, and producer globally. I loved all James Bond movies like Tomorrow Never Dies, Diamonds are Forever, From Russia with Love, and so forth.

Gillian, I am very excited about the UN Universal Declaration of Human Rights financial freedom permanently reform. It needs to be reformed immediately or as quickly as possible to give all American and international people financial freedom forever. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can. The world government can legally print money from the treasury departments. Still, many people in the world are hurting for cash and desperate for money, so our world money problem human rights need to be the most priority and justice. We need to end all low-class and middle-class lifestyles globally as soon as possible. We need to live only in the highest-class lifestyle world.

I think Gillian should let our UNA – USA staff know about the UN Universal Declaration of Human Rights financial freedom permanently reform. They need to contact UN Foundation Chairman Ted Turner to help us reform the UN Universal Declaration of Human Rights financial freedom permanently reform immediately or as quickly as possible. Please help!! I have also emailed Farah Eck, Rachel Pittman, Victoria Deng, and Madeline Hren about my UN Universal Declaration of Human Rights Reform. I hope it will be done shortly so that each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peaceful, highest-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. I love to hear some of the most fantastic news from you and the UNA-USA Team soon.

Fairly, let us stand up and fight for the American and international people to have financial freedom forever. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class and middle-class lifestyles. Honestly, the US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom. Our American and the outdated International Laws need to be automatically reformed to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can. The world government can legally print money from the treasury departments. Still, many people in the world are hurting for cash and desperate for money, so our world money problem human rights need to be the most priority and justice. We need to end all low-class and middle-class lifestyles globally as soon as possible. We need to live only in the highest-class lifestyle world.

Furthermore, our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights. These are significant human errors, so we need to automatically replace the American laws and the International Law outdated to give all people in the world trillions and trillions (US dollars) or the world currencies in their bank account all the time so that we can enjoy our real paradise lives. This human right needs to be a priority, and it needs to be justice. We need to end all low-class and middle-class lifestyles as quickly as possible. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world. Would you please try to understand and help?

Thank you very much for your valuable reply email. Additionally, thank you very much for many of the greatest works from you, UNA-USA Team, UN, Nancy Pelosi – Speaker of House Representatives, US Senator Jacky Rosen, US Congresswoman Dina Titus, US Senator Catherine Cortez Masto, US First Lady Dr. Jill Biden, President Joe Biden, Vice President Kamala Harris, US Senators, House of Representatives, Senate Committee Budget Chairman Bernie Sanders, Majority Leader Chuck Schumer, the Committee on Ways and Means, Chairman Richard Neal, President Donald Trump, Democratic Party, and Republican Party have helped the American People to survive from the COVID-19 crisis. Especially, the World Bank and the International Monetary Fund (IMF) have contributed many grants and loans to help people globally to survive during the COVID-19 crisis. The World Bank and IMF both try to promote international financial stability and monetary cooperation. Their mission also facilitates international trade, promotes employment and sustainable economic growth, and helps to reduce global poverty. The World Bank has 189 member countries, and the IMF has 190 member countries, and they commit to reducing poverty and making the world the wealthiest place possible.

Truthfully, the World Bank Group and International Monetary Fund have funded many grants and loans to many countries worldwide during the Coronavirus (COVID-19) crisis. Please review more information about them at the links below:

Honestly, I think you are one of the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical UNA – USA Communication Officers. Keep up your most exceptional works. I have reviewed and watched your background and videos. I think you are really caring for the poor people globally about human rights, money problems, and many more. I have seen you work very hard as you tried to help poor people from time to time. The easier way to help the money problem people in the world is to give them all financial freedom for each human being, including all newborn children, as soon as possible. I have seen that the UN Universal Declaration of Human Rights needs to be reformed immediately or as quickly as possible for everybody globally to have financial freedom. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to

end the low-class and middle-class lifestyles as soon as possible. Please review my learning about the UN Universal Declaration of Human Rights and your background at the links below:

Gillian!!!!!!!!!!!!!!!!!!!!!! Please help!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! WE CAN NOT CONTINUE TO LIVE IN THIS TERRIBLE WORLD FOREVER. THE UN UNIVERSAL DECLARATION OF HUMAN RIGHTS NEEDS TO BE REFORMED IMMEDIATELY OR AS SOON AS POSSIBLE FOR EVERYBODY GLOBALLY TO HAVE FINANCIAL FREEDOM. It is the highest honor to know you virtually. Please don't fear helping people in the world when they really need help for their financial freedom. Thank you very much for your invitation email for the Affinity Group Co-Chairs of UNA – USA position. Yes, I am interested in serving as a chairman, and I have been joined for more than one year as a National Member and sponsor for UNA – USA. Please review my biography

at: <https://michaeldeshaannon.com/biography>. Moreover, I have reviewed the UN Universal Declaration of Human Rights, and I have seen that the UN Universal Declaration of Human Rights needs to be reformed immediately or as soon as possible for everybody globally to have financial freedom. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to end the low-class and middle-class lifestyles as soon as possible.

Please give me a chairman job, and I will reform the UN Universal Declaration of Human Rights immediately or as soon as possible for everybody globally to have financial freedom. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to build our world to have the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently,

peacefully, and equally financially freedom for each human globally, including the newborn children. Thus, the world government, the World Bank Group (WBG), and International Monetary Fund (IMF) will direct deposit trillion and trillion US dollars and the world currencies in our bank account. Then, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom, paradise highest-class lifestyle together forever. This human right needs to be the most priority and justice. More than 7 billion Americans and international voter families worldwide will sincerely appreciate your help because you will make our paradise dreams come true.

I liked that Secretary-General António Guterres stated in his seven quotes, "The success of the UN and the international community lies in our common commitment to our common values." – Vision Statement submitted on April 4, 2016. I have seen that United Nations needs to reform the UN Universal Declaration of Human Rights to help all people globally live with the highest human values and financial freedoms forever immediately or as soon as possible. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world.

Awesomely, the most fantastic news is that the 22-year-old Stepdaughter Ella Amhoff of our US Vice President Kamala Harris is wearing a red Stella McCartney diamond mesh bodysuit. Ella Amhoff has shown the futuristic look with sparkling eye gems and Cartier jewelry as our paradise dream has come true for real. Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully high-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.

Honestly, I don't want to work in serving as a chair. My dream is to make many movies in the future for everybody in the world to enjoy our true paradise, highest-class lifestyles forever. However, I have more than 10,000 supporters for my petition group, 'Makes America Greatest Place on Earth.'
