Honestly, I think you are one of the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical US Congresswomen in American history. Keep up your most exceptional works. I think you are really caring for the poor American people about human rights, money problems, and many more. Honestly, I have seen you work very hard as you tried to help Nevada's poor people from time to time. The easier way to help the money problem people in America is to give them all financial freedom for each American, including all

newborn children, as soon as possible. I also have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Thus, we should love each other like the greatest friend. We should build the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally financially freedom for each human globally, including the newborn children. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom paradise highest-class lifestyle together forever. Please support!!!!!!!!!!!!!!!!!!!!!!
