US First Lady Dr. Jill Biden
1600 Pennsylvania NW
Washington, DC 20500

Dear US First Lady Dr. Jill Biden:

Happy Wednesday, September 28, 2021!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish you and your family will have the most magnificent magical Wednesday!!!!!!!!!!!!!!!!!!!!!!

I wish you and your family will have the most magnificent magical in 2021!!!!!!!!!!!!!!!!!!!!!!

Thank you very much for your invitation email for the Grassroots Event with Dr. Jill Biden of Virtual Town Hall on September 24, 2021. My email box was jammed up, and I could not read your invitation email. However, I did view some DNC emails, and I made some donations for the DNC campaign.

Additionally, thank you very much for many of greatest works from US First Lady Dr. Jill Biden, President Joe Biden, Vice President Kamala Harris, US Senators, House of Representatives, Nancy Pelosi – Speaker of House Representatives, Senate Committee Budget Chairman Bernie Sanders, Majority Leader Chuck Schumer, the Committee on Ways and Means, Chairman Richard Neal, President Donald Trump, Democratic Party and Republican Party have helped the American People to survive from the COVID-19 crisis. Especially, the World Bank and the International Monetary Fund (IMF) have contributed many grants and loans to help people globally to survive during the COVID-19 crisis. The World Bank and IMF both try to promote international financial stability and monetary cooperation. Their mission also facilitates international trade, promotes employment and sustainable economic growth, and helps to reduce global poverty. The World Bank has 189 member countries, and the IMF has 190 member countries and they commit to reduce poverty and make the world to be the richest place possible.

Fairly, let us stand up and fight for the American and international people to have financial freedom forever. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. Honestly, the US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom. Our American and the outdated International Laws need to automatically reform to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can. The world government can legally print money from the treasury departments. Still, many people in the world are hurting for cash and desperate for money, so our world money problem

human rights need to be the most priority and justice. We need to end all low-class and middle-class lifestyles as soon as possible. We need to live only in the highest-class lifestyle world.

Furthermore, our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights. These are significant human errors, so we need to automatically replace the American laws and the International Law outdated to give all people in the world trillions and trillions (US dollars) or the world currencies in their bank account all the time so that we can enjoy our real paradise lives. This human right needs to be a priority, and it needs to be justice. We need to end all low-class and middle-class lifestyles as quickly as possible. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world. Would you please try to understand and help?

Moreover, it is a human error to live a life of sadness and against our free will. OUR US PRESIDENT JOE BIDEN, US SENATORS, and US REPRESENTATIVES, and the world leaders need to automatically reform all the outdated laws globally and help us live with absolute financial freedom, peaceful highest-class lifestyles forever. This human right needs to be the most priority and justice. We can reform our Amendment I to add in the FINANCIAL FREEDOM, FREEDOM OF PEACE, AND AMERICAN HIGHEST-CLASS LIFESTYLE FOREVER!!!!!!!!!!!!!!

Finally, I will be graduate with my IT Project Management Master Science degree by February 2022. I have learned that the most critical key for a business owner or project leader is project quality or project value to secure a business to have a successful accomplishment and get the highest revenue as possible like Walmart. For example, if a business owner tries to sell to their customers many bad computers, then their business will get many bad feedbacks and low annual incomes so that their business may get bankruptcy and lawsuit at any time. It is a human error to live a life of sadness and against our free will. Our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights.

Fairly, I have seen that United Nations needs to reform the UN Universal Declaration of Human Rights to help all people globally to have financial freedom forever. Our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights. These are significant human errors, so we need to automatically replace the American laws and the International Law outdated to give all people in the world trillions and trillions (US dollars) or the world currencies in their bank account all the time so that we can enjoy our real paradise lives. This human right needs to be a priority, and it needs to be justice. We need to end all low-class and middle-class

lifestyles as quickly as possible. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world.

I have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries. The United Nations won twelve Nobel Peace Prizes from 1950 to 2020. The main missions of the United Nations are to maintain world peace and security, protect human rights, promote the most significant economic, social, cultural, and freedom through International law. However, International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world.

Moreover, today, the United Nations has 193 government countries together like one big family. Thus, we should build the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally for each human globally, including the newborn children.

I liked that United Nations Secretary-General António Guterres stated in his seven quotes, "The success of the UN and the international community lies in our common commitment to our common values." – [Vision Statement](#) submitted on April 4, 2016. "We need a surge in diplomacy for peace. The international community spends much more time and resources managing crises than preventing them. But TV cameras are seldom there when a conflict is avoided, so it is difficult for governments and international organizations to prioritize prevention. I believe prevention must be not only a priority but the priority of everything we do. That means we need a huge cultural change to affirm the centrality of prevention." – July 20, 2016 [interview with TIME](#).

"I have two words to describe what I'm feeling now: gratitude and humility. Humility (is what I feel) about the huge challenges ahead of us, the terrible complexity of the modern world. But it is also humility that is required to serve the most vulnerable, victims, of conflicts, of terrorism, rights violations, poverty, and injustices of this world."

I have seen that United Nations needs to reform the UN Universal Declaration of Human Rights to help all people globally live with financial freedom forever immediately or as soon as possible. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world.

I have received an email from United Nations Association (UNA) – USA Senior Director Farah Eck as she promotes the 2021 +1 Membership campaign. I recently received an invitation email from UNA – USA Communication Officer Gillian Wilson for the Affinity Group Co-Chairs of UNA – USA position on August 26, 2021. Moreover, I have reviewed the UN Universal Declaration of Human Rights, and I have seen that the UN Universal Declaration of Human Rights needs to be reformed immediately or as soon as possible for everybody globally to have financial freedom. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to end the low-class and middle-class lifestyles as soon as possible. Please review my learning about the UN Universal Declaration of Human Rights and your background at the links below:

I have emailed Farah Eck, Rachel Pittman, Victoria Deng, and Madeline Hren of the UNA – USA Team about my UN Universal Declaration of Human Rights Reform. I hope it will be done shortly. US First Lady Dr. Jill Biden, please let Mr. President knows about my email and enforce the fourth stimulus checks to support American families with a \$2,000 payment for adults and a \$1,000 payment for kids immediately, and continuing regular checks for the duration of the crisis. Otherwise, laid-off workers, furloughed workers, the self-employed, and workers dealing with reduced hours will struggle to pay their rent or put food on the table (<https://www.facebook.com/michael.shannon.397/posts/3984902964881786>).

Moreover, it is a human error to live a life of sadness and against our free will. US First Lady, please bring my idea up to Mr. President Joe Biden, US Senators, and US representatives to reform our outdated American laws and help us live with absolute financial freedom and peaceful highest-class lifestyles forever. This human right needs to be the most priority and justice. We can reform our Amendment I to add in the FINANCIAL FREEDOM, FREEDOM OF PEACE, AND AMERICAN HIGHEST-CLASS LIFESTYLE FOREVER!!!!!!!!!!!!!!

The most fantastic news is that the 22-year-old Stepdaughter Ella Amhoff of our US Vice President Kamala Harris is wearing a red Stella McCartney diamond mesh bodysuit. Ella Amhoff has shown the futuristic look with sparkling eye gems and Cartier jewelry as our

paradise dream has come true for real (<https://www.msn.com/en-us/lifestyle/fashion/kamala-harris-stepdaughter-ella-emhoff-stuns-in-futuristic-diamond-bodysuit-in-met-gala-debut/ar-AAOpgVw?ocid=msedgdhp&pc=U531>). Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully high-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.

Honestly, I don't want to work in serving as a chair. My dream is to make many movies in the future for everybody in the world to enjoy our true paradise, highest-class lifestyles forever.
