Appointment Time:

Please make sure to arrive on time to your appointment as you will be charged for the time you reserved. If you are running late please notify us ASAP as we may be able to accommodate you based on our schedule with the next client.

Please remove all make up prior to arrival if you are having facial work done. Makeup wipes are available in the front reception table for your use.

Treatments:

Please be aware that repeated treatments are necessary for permanent results. Permanent results vary based on factors such as area being treated, thickness of hair, treatment time, consistency in treatments and sensitivity. Based on those factors permanent results may take from a minimum of one year or longer. As you go through your treatments you will see your hair grow finer and slower.

You can shave, trim or leave alone between your treatments but please DO NOT tweeze, wax or thread as that stimulates your hair follicles to grow stronger and/or thicker.

Electrolysis is not recommended if tweezing, waxing or shaving is not stopped completely in the areas treated otherwise permanent results can't be guaranteed.

I have read the above information and understand the above office policy.
