
I
love
the
person that
I am
and the person
I am
becoming.

I am
perfect
just the way
I am.

I am
not my
mistakes.

I am
worthy of
loving
and of being
loved.

I am
proud
of who
I am.

I am
open
to new
opportunities

I am
capable
of doing
anthing
I put my
mind
to.

I am
full of
gratitude.

I am
stronger
because of my
struggles.

I am
enough.
