

GREEN SPRINGS PATIO HOMES HOA
Architectural Request Form

****Additional second form required for fence requests***

*Our goal is to ensure all owners are in accordance with the Covenants and By-laws in order to protect each individual owner's rights and values. It is required that any owner who is considering improvement of their deeded property to include, but not limited to: painting, roofing, outside buildings, fencing, room additions, siding, etc. must submit a request. **Approval must be obtained from the Board prior to starting work on the planned improvements.***

FAILURE TO SUBMIT THE REQUESTED INFORMATION AND/OR ATTACHMENTS PRIOR TO CONSTRUCTION MAY RESULT IN DENIAL OF YOUR REQUEST FOR CHANGES.

If any change is made without written approval, the Board has the right to require the homeowner to remove the improvement from the property, restore the property to its original condition at the homeowner's expense, and/or be fined. Homeowners considering exterior improvements to their property are urged to review the Covenants and By-laws, which are available online at www.islandgreengreensprings.com, prior to their request.
