Twosomes triumph in tennis tournament 1978

The Highlands County Tennis Association held its final tourney of the year June 3-4. The event was a doubles tournament, which included men's and women's A and B Divisions, as well as consolation brackets.

The tournament was sponsored by the Highlands County EMS Auxiliary and trophies and prizes were awarded winners.

Al Marrow and Ken Haysley won the Men's A Division by defeating Rodney Hollinger and Tom Hines, 6-7, 7-5, 6-1. Geoff Roepstorff and Bill Heacock took the Men's B Division by besting Bob Senkarik and Chris Rudasill, 6-2, 6-4.

The Women's A Division went to Vi Marrow and Marsha Watson with a 6-3, 6-2 verdict over Lisa Hines and Mary Hill.

The Women's B Division was taken by Jo Anier and Marge Richardson, who defeated Carol Henson and Mary Flynn, 3-6, 6-0, 6-0.

Tournament Director Ken "Turkey" Haysley expressed his thanks to EMS for sponsoring the tourney and to those who supported the HCTA this year.

The new season will begin in September with a singles tournament and a summer ladder is now under way. Sign up with Haysley by calling 382-2757 or stop by the Harder Hall Pro Shop.

Ken Haysley, Vi Marrow dominate singles contest 5-26, 27-79

After two exhausting days of tennis, the South Florida Junior College Tennis Open came to an exciting conclusion last weekend.

In the Men's "A" Division, Ken Haysley outlasted Al Marrow, 6-3, 6-7, 6-4, in a 3-hour marathon; Jean Anier fought back to overcome Ellen Lord in the Women's "B" Division, 3-6, 6-3, 6-3; Tom

Hines defeated Dick Stecher, 6-3, 6-0, in the Men's "35 and Over Division"; Vi Marrow outstaid Lisa Hines in the Women's "A" Division, 6-3, 6-0, and Rick Sizemore overpowered Chuck Mielke in the Men's "B" Division (scores not available).

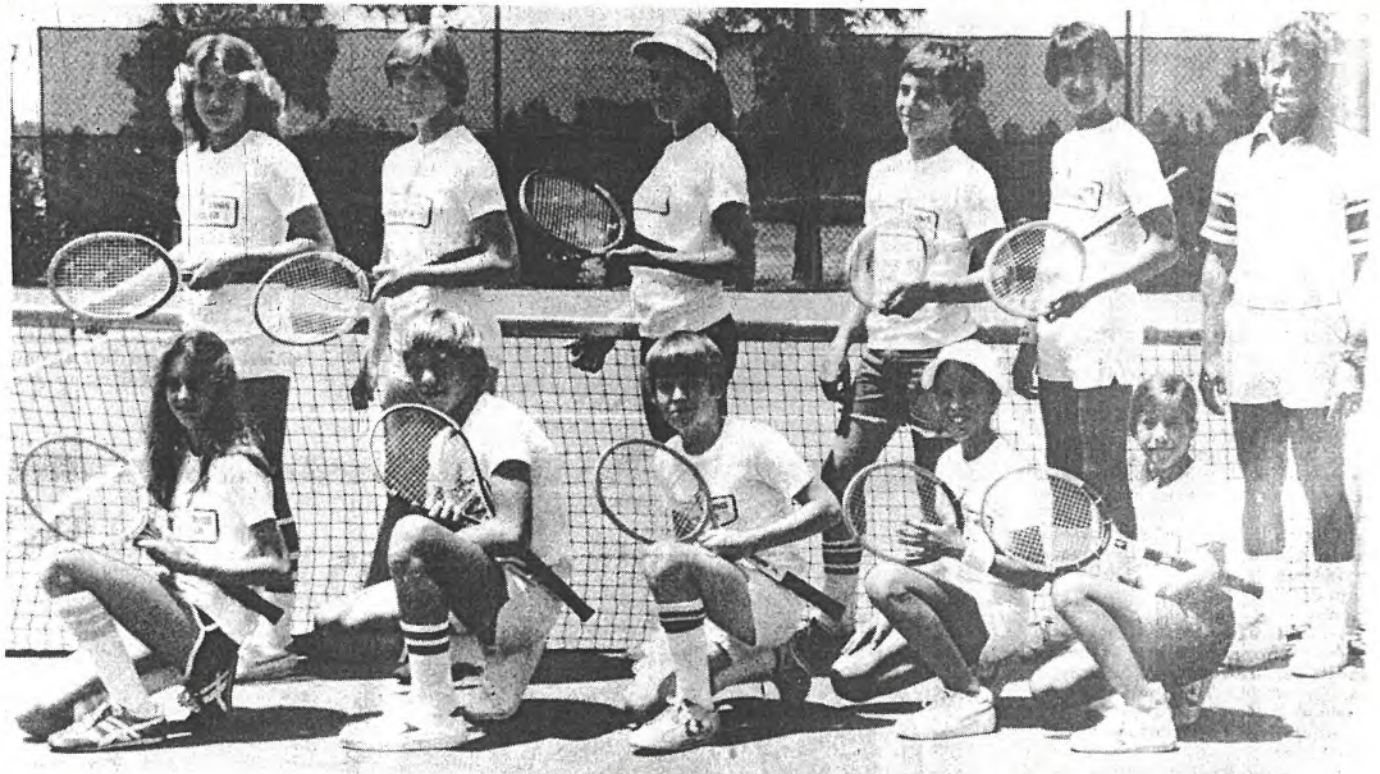

The weekend tournament attracted one of the strongest singles fields ever brought

together in Highlands County. Forty-five players from 4 surrounding counties were among the participants.

Co-sponsors for the event were the Highlands County Tennis Association and First Home Federal Savings and Loan Association of Highlands County. Trophies provided by the sponsors were awarded to all finalists.

Mixed doubles

In an unusual and anything-but-planned double-exposure picture, Eddie Willis seems to have Rachel Marrow and her backhand return on his mind. This is not what is meant by

mixed doubles, but was double trouble for News Photographer Rick Moyer, whose camera went on the blink at this point. Marrow and her partner Jeff Davis combined to defeat

Willis and his partner Jean Anier to the the "B" Ladder Championship in The Sebring News Mixed Doubles Tennis Classic Sunday afternoon.

Sebring.

In the final division of competition of the Girl's 16 and Under Bracket, 11-year-old Rachel Marrow of Sebring fought hard to defeat Lord of Lake Placid, 6-4, 6-3, and then went on to win the division title with a 7-5, 2-6 and 6-4 victory over Jennie Kryznovek of Sebring. One match that was especially thrilling was a three hour marathon between Jean Anier and Beth Marrow of

Sebring. Anier took the first-round match, 5-7, 6-4, 6-3.

All first and second place finishers were presented with trophies for their efforts. The awards were provided through the courtesy of the Avon Citrus Bank, First Home Federal Savings and Loan Association of Highlands County, Barnett Bank of Highlands County and the Highlands County Bank of Avon Park.

Dude dominates tennis tourney

Sebring tennis players accounted for half of the finalists in the First Home Federal Tennis Classic event in Avon Park during the weekend.

David Dude, a former number one singles player in west Georgia, won the men's singles competition in three straight matches.

Dude downed Bruce Peterson of Avon Park 6-0, 6-1, and beat Grant Stallard, also of Avon Park, 6-3, 6-1, to reach the finals against Randy Warnock Sunday afternoon.

Warnock, a Wauchula resident, took the first set 6-2 but lost momentum during a one-hour delay because of rain.

Sebring's Dude swept the second set 6-0 and was ahead 4-0 in the third before Warnock rallied to tie the set and match at 6-6.

Dude, who played three consecutive matches Sunday (two singles and one doubles) during a six-hour span, won the next two games to win the title, 2-6, 6-0, 8-6.

The one doubles match Dude played Sunday was the men's finals, where he was paired with Ken Haysley, another Sebringite.

Haysley-Dude defeated the Avon Park team of Stallard and Brad Beunel 6-2, 6-4, for the doubles trophy.

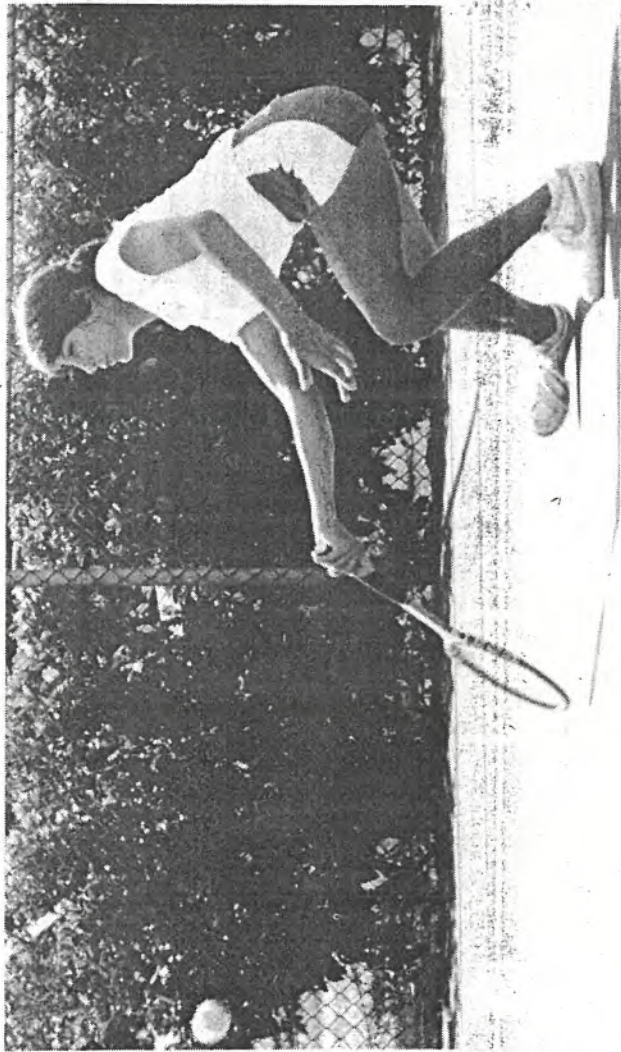

Rain postponed the men's consolation-third place match, so a flip of the coin between Stallard and Avon Park's Tim Williams decided who received the third place trophy. Stallard took the unusual honors.

A Sebring mother-daughter confrontation highlighted the women's doubles finals. Mom Jo Anier teamed with Avon Park resident Pat James to win the title 6-2, 6-4, against daughter Jean Anier and Penny Langston, an Avon Park High School tennis standout.

The James-Anier team had beaten a Sebring team of Darlene Young and Susie Young 6-2, 5-7, 6-2, in a grueling match to reach the finals.

Another three-set match put Anier and Langston in the finals. The two barely edged an Avon Park team of Debra Cox and Delories Cox 1-6, 8-6, 8-6, in the best played match of the tournament.

The two Cox sisters battled each other in a three-set final for the women's singles title. Debra had earlier beaten

Jean Anier (shown here in a recent Highlands County Tennis Association tournament) finished in second place in the doubles event of the First Home Federal Tennis Classic in Avon Park during

the weekend. Anier teamed with Penny Langston of Avon Park but lost to Jo Anier (Jean's mother) and Pat James 6-2, 6-4. Jean also ended up third in the singles event. Sportsphoto by Hardesty.

Reaching low

Jean Anier 6-2, 6-0, and Delories was victorious against Avon Park's Bridgette Randolph 6-0, 6-1 to set up the finals.

Debra won the top trophy even though she lost the first

set. Down 6-3, she came back to win two sets in a row 7-5, 6-1. Anier beat Randolph 6-2, 6-4, for third place.

The tournament, which was held at the city courts in Avon Park, was co-sponsored by

First Home Federal Bank and the Avon Park Recreation Department. Tournament Director Dennis Guenther expressed gratitude to the sponsors and participants.

Markham-Huffman capture HCTA mixed doubles crown

Okeechobee's Carla Markham and Jay Huffman, the only out-of-county entry, won the Highlands County Tennis Association mixed doubles tournament Saturday by winning four straight matches.

The 90+ degree heat played a large part in the tourney, wearing down all the competition in the losers bracket. The eventual runners-up, Jean Anier and Jeff Davis, had to battle back through three matches before facing Markham and Huffman in the finals.

By the time Anier, from Sebring, and Davis, from Avon Park, got a chance to avenge an earlier 8-2 defeat to Markham and Huffman in a quarterfinal match, they had played a total of 68 games during a seven-hour period.

The Anier-Davis team played the top-seeded couple

even throughout the first four games as each person held serve for a 2-2 tie.

Markham-Huffman broke Anier's serve and followed up with Huffman winning his game on an ace for a 4-2 lead.

Having gained the momentum in the best two-out-of-three final, Markham and Huffman broke Davis' serve and finished out the set, 6-2.

The second set started out much the same way with Anier and Huffman, holding serve for a 1-1 tie.

Markham and Huffman, however, surged to a 3-1 advantage and it looked as if the championship had been all but won.

Anier took her serve but Huffman faltered, losing his serve on four straight points for a 3-3 deadlock.

The title match still was in doubt when the two teams

battled through four deuces on Davis' serve.

The winners finally took the game and the next two to win the set 6-3 for the match.

Anier and Davis barely made the finals as they edged the Avon Park team of Michele Traverse and Steve Blackburn 9-7 in the losers bracket finals.

All matches in the tournament were pro set (one set to eight games) except the finals. In this match, the teams were tied at 7 and looking at a possible 12-point tiebreaker at 8-8, but Anier and Davis prevailed by winning two straight.

Traverse and Blackburn finished third after losing to Markham-Huffman 8-0 in the finals of the winners bracket and then losing to Anier-Davis.

On the way to the title, Markham defeated the Sebring team of Cindy Smith and Mike Hoffrichter 8-2, topped Anier-

Davis 8-2, blanked Traverse-Blackburn 8-0 and Anier-Davis again 6-2, 6-3.

The only other seeded team, Sherri Stevenson and Jay Baker, lost to Traverse and Blackburn 8-2 in a first round match but came back to defeat Darlene Young and Micky Byrd, another Sebring entry, 8-1 in the losers bracket.

Anier and Davis ended the Stevenson-Baker title hopes 8-6. Stevenson and Baker are from Sebring.

Jean's mother, and tournament director, Jo Anier, teamed with Paul Pettit to win a first round match against Young-Byrd 8-6. Two consecutive losses (8-2 to Traverse-Blackburn and 8-2 to Sebring's Susie Young and Larry Johnson) knocked them from the tourney.

Winners bracket results - first round: Markham-

Huffman d. Smith-Hoffrichter 8-2, Jean Anier-Davis d. S. Young-Johnson 8-6; Jo Anier-Pettit d. D. Young-Byrd 8-6 and Traverse-Blackburn d. Stevenson-Baker 8-2.

Second round: Markham-Huffman d. Jean Anier-Davis 8-6 and Traverse-Blackburn d. Jo Anier-Pettit 8-2. Winners bracket finals: Markham-Huffman d. Traverse-Blackburn 8-0.

Losers bracket results - first round: S. Young-Johnson d. Smith-Hoffrichter 8-5 and Baker-Stevenson d. Young-Byrd 8-1. Second round: S. Young-Johnson d. Jo Anier-Pettit 8-2 and Jean Anier-Davis d. Stevenson-Baker 8-6.

Third round: Jean Anier-Davis d. S. Young-Johnson 8-6. Losers bracket finals: Jean Anier-Davis d. Traverse-Blackburn 9-7.

Finals - Markham-Huffman d. Jean Anier-Davis 6-2, 6-3.

Backhands to finals

bracket but lost to the Okeechobee team of Carla Markham and Jay Huffman 6-2, 6-3. Sportsphoto by Tom Hardesty.

Smashing away

Jay Huffman (Okeechobee) goes high to put away a shot in the mixed doubles final Saturday afternoon. Huffman teamed with Carla Markham, also of Okeechobee, to win the

event in four straight matches. The winners beat Jean Anier and Jeff Davis in the finals 6-2, 6-3. Sportsphoto by Tom Hardesty.

Tournament Of Champions Had Local Participation

BY KEN HAYSLEY

While at Grenelefe last Friday for the Tournament of Champions — Sunbird Cup, I noticed that several of our local high school girl tennis players were in the tournament.

There were actually five representing Highlands County — Mary Margaret Lloyd, Kathy Lloyd, Mary Jo Harrison, Jean Anier and Angie Gentry. Out of the five, two even made it to the finals.

They weren't, however, competing for any prize money of trophies, but rather were enjoying the privilege of chasing that little yellow ball for some of the world's best women tennis players.

The five worked the Tour-alley to retrieve and give balls to server and two at the net to chase netted balls.

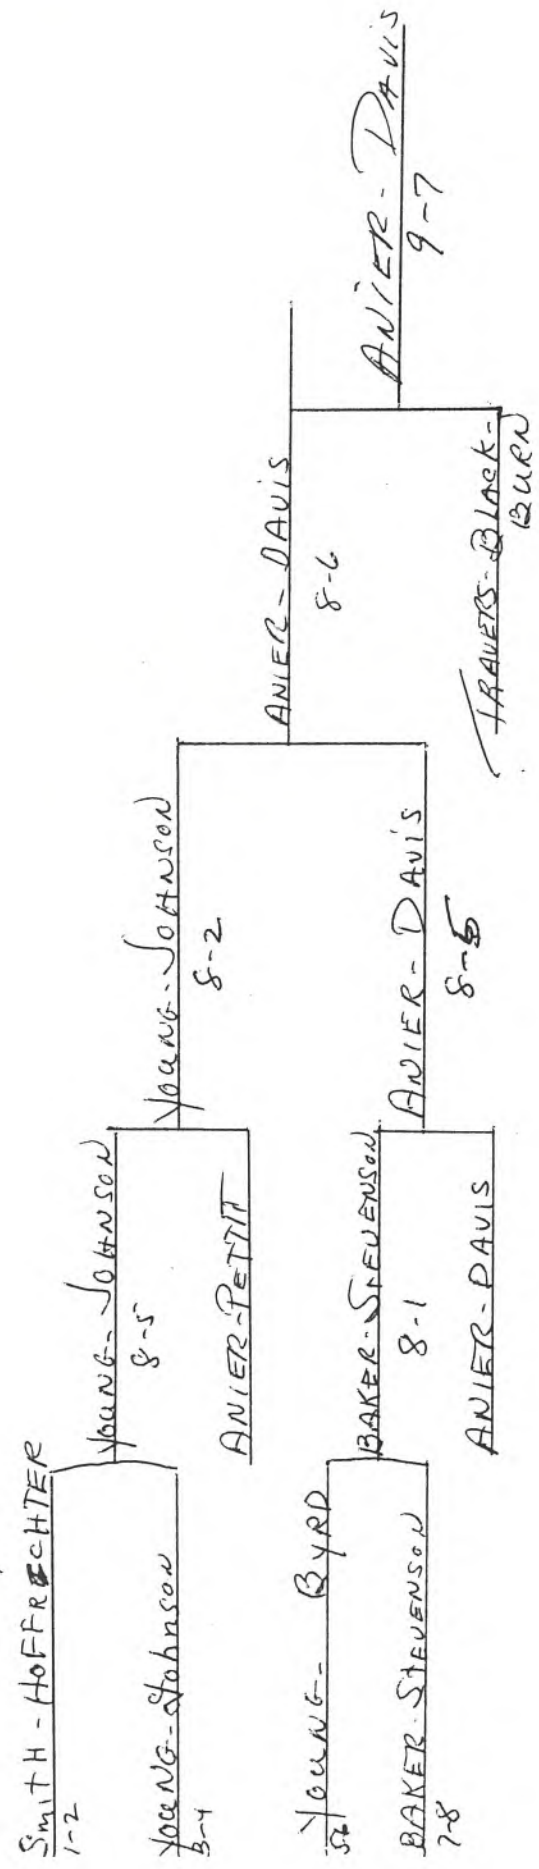

To add to the tournament's professional touch, the girls learned how to march in and then march off the court before and after the matches.

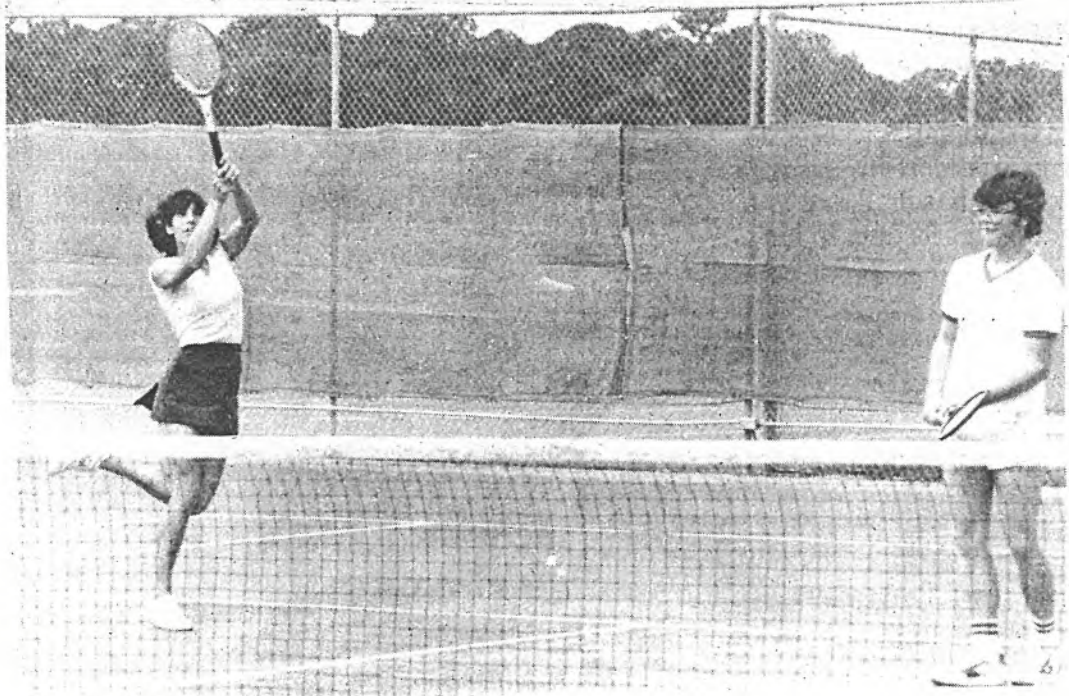

Since the girls worked every match in court-side temperatures of 100 degrees or more, the privilege to be picked as a ball girl is anything but easy. For all their hard work, they received a new tennis outfit and meals. Asked if they'd all work at Grenelefe again next year, they all said, "Yes!"

If it's any consolation, Stan Smith was a ball boy once, so girls hang in there and maybe some day you'll be saying, "Ball, please."

John Zitnick zips one in B final

Hennessey wins

Continued from page 5B

Cox, the Avon Park High School girls tennis coach from Sebring, was knocked off in the first round. That left the door open for Anne Hennessey (number two seed) and Jean Anier (number four seed) to reach the finals.

The first set was a struggle and the two played it even through 12 games, 6-6. With the 12-point tiebreaker in effect, Anier edged Hennessey 10-8.

Hennessey rebounded for a second and third set win for the match, 6-2, 6-4.

Unfortunately for the spectators, four of the five finals were played at the same time (Sunday at 2 p.m.), reducing the opportunity to view all the matches.

In the other finals, Sebring's John Zitnick defeated Larry Johnson, another Sebringite, 6-3, 6-1 for the B title. Johnson, a long-time HCTA supporter and motivator, played despite an injury to his right arm. Johnson, who uses his left arm due to a deficient backhand, was forced to finish the match playing completely lefthanded.

In the C title match, Mike Hoffrichter eased past APHS star Erdley Bent, 6-2, 6-2. Hoffrichter, Sebring, was relegated to the C division after a heart-breaking loss to another APHS tennis player, Steve Blackburn, in the B competition 8-7 (9-7 in the tiebreaker).

Ramona Hollinger won the women's B bracket 6-2, 6-1, against top-seeded Jeannie Cox Sunday morning. Hollinger defeated fellow Sebring player Jane Carnes early Sunday morning, 6-2, 5-7, 6-1. Cox beat Jane Hollinger 8-3 and Gena Carter 6-4, 7-5 to reach the finals.

According to tournament coordinator Jo Anier, 26 men and 14 women, "which is more than I ever expected," entered the tournament, which opened the HCTA season. The First National Bank of Sebring will sponsor the next HCTA event Nov. 1-2, which includes men's and women's A and B doubles.

Hennessey held on to win

It was tabbed a Valentine Mixed Doubles Tennis Tournament, but there were no love matches played at the Sun 'n Lake of Sebring Courts Saturday and Sunday when 17 couples participated in the Sebring News sponsored affair

which was run so very effeciently by Jo Anier of the Highlands County Tennis Association.

The finals of the championship division and the first consolation bracket were dog-eat-dog affairs

Sunday afternoon as Evelyn Reeder of Bowling Green and Jeff Davis of Avon Park teamed up to upset defending champions Daren Kuhlewind and Jay Huffman of Okeechobee 5-7, 6-4, 7-5 for the title, and Sebring's Jean Anier and

Avon Park's Steve Blackburn came from behind to defeat Sebring's Jane and Rodney Hollinger 3-6, 7-6, (7-2), 7-6 (8-6) in a real barn-burner for the first consolation championship.

The second consolation title was won by Allison Annett and Mike Lynch by default over Pat and Russell James. The "C" bracket (second consolation) was set up by dropping first round losers of the first consolation bracket into a third round.

The two Sunday afternoon finals were top notch matches. The championship match between Reeder and Davis and Kuhlewind and Huffman was one of the best balanced mixed doubles matches witnessed by tennis fans in this area in many a year. Both ladies held up their part of the game throughout the match and many times took over to carry their male partners through long, exciting points highlighted by lightening-quick net volleys.

The champions were down 5-2 in the third set but rallied to win four straight games to go ahead 6-5 and then put the match away by breaking Huffman's final serve.

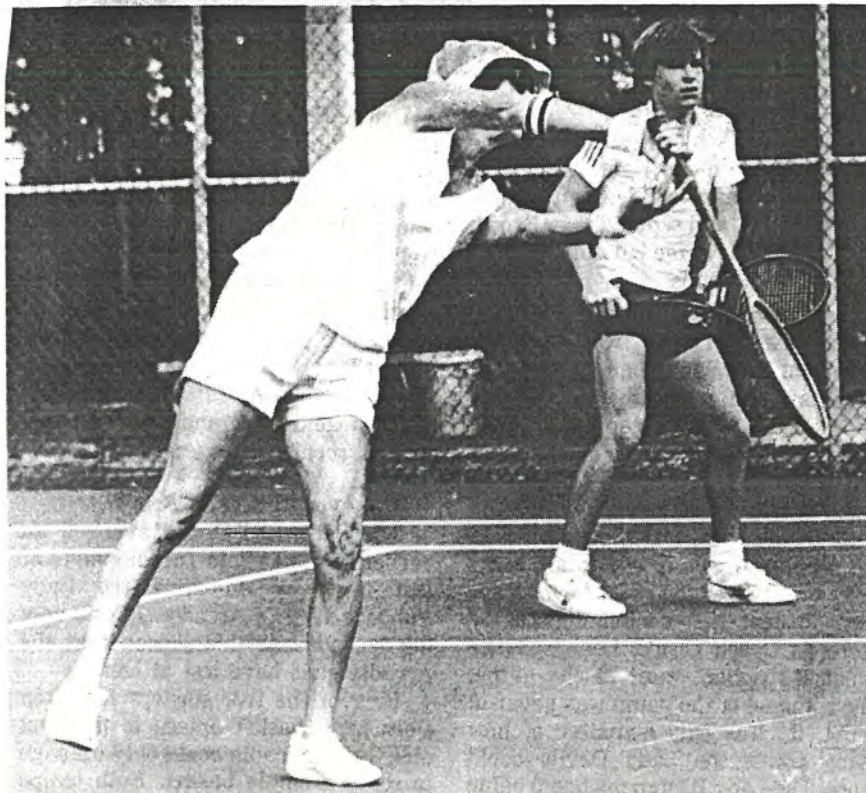

The Anier-Blackburn vs the Hollingers match was even more evenly matched as the last two sets both went to tie-breakers.

The Hollingers won the first set without too much trouble by a score of 6-3, but then the two youngsters fought back to win the second set with a 7-2 tie-breaker and the match with an 8-6 tie-breaker.

Young Allison Annett of Sebring and Steve Lynch, a student at SFJC, defeated Becky Travers and Scoop Backus 7-5, 4-6, 6-3 Saturday afternoon

to advance to the Sunday finals with the Russell Jameses. They won the trophy of the "C" division when the Jameses were unable to play Sunday afternoon.

Kuhlewind and Huffman had won the Sebring News Mixed Doubles Valentine Tournament twice before losing to the youth-experience team of Davis and Reeder. Davis is a member of the Sebring Blue Streak Tennis team, and Reeder is a long-time competitor in the area. Both new champions are known for their dedication to the game and neither would acknowledge defeat in the third set when they found themselves far behind the defending champs.

Reeder and Davis advanced to the finals with wins over Heidi Austin and Larry Johnson (6-1, 6-0), Jeannie Cox and Bruce Wyse (6-1, 6-0), and Michele Traverse and Billy Ball (7-5, 6-3).

Kuhlewind and Huffman waltzed through the early rounds of the tournament with wins over Jeannie Kryznovek and Matt Richardson (6-0, 6-0), Anier and Blackburn (6-1, 6-2), and Jo Anier and Ken Haysley (6-2, 6-4).

In other early round matches, Cox and Wyse beat Susan Artman and Tom Hardesty 6-3, 6-1; Traverse and Ball defeated Pam Anderson and Paul Cruz 6-1, 6-2; the Hollingers outlasted the Jameses 5-7, 6-0, 6-1; Anier and Haysley won over Travers and Backus 6-1, 6-0; Janet Magee and Ed Willis lost to Carol and Bob Jarboe 4-6, 7-5, 7-6; Anier and Blackburn defeated Angie McElroy and Bill Senkarik 6-0, 6-2; and Anier and Blackburn defeated Annett and Lynch 6-2, 6-1.

In the third round of the championship bracket, Traverse and Ball eased by the Hollingers 6-2, 6-2, and the Anier-Haysley team had little trouble with the Jarboes from Lake Placid, winning 6-0, 6-1.

In the first consolation bracket, the Hollingers advanced to the finals with a 7-5, 6-4 win over Krzynovek and Richardson and a 3-6, 6-4, 6-3 victory over Cox and Wyse.

Anier and Blackburn eased by Anderson and Cruz 6-4, 6-1 but had trouble with the Jarboes in the semi-finals of the first consolation round, finally winning 5-7, 6-3, 7-6 - (7-2).

games to take the victory.

After the narrow defeat, Huffman said, "That's too many Sebring folks to work your way through." Kuhlewind and Huffman had played three matches Saturday to reach the finals.

Reeder and Davis beat Heidi Austin and Larry Johnson (Sebring) 6-1, 6-0, Jeannie Cox and Bruce Wyse (Sebring) 6-1, 6-0 and Michele Traverse (Avon Park) and Billy Ball (Okeechobee) on the way to the finals.

Kuhlewind and Huffman defeated Jennie Kryznovek and Matt Richardson (Sebring) 6-0, 6-0, Anier and Blackburn 6-1, 6-2 and Jo Anier and Ken Haysley (Sebring) 6-2, 6-4 to qualify for the finals.

Tiebreakers were the key

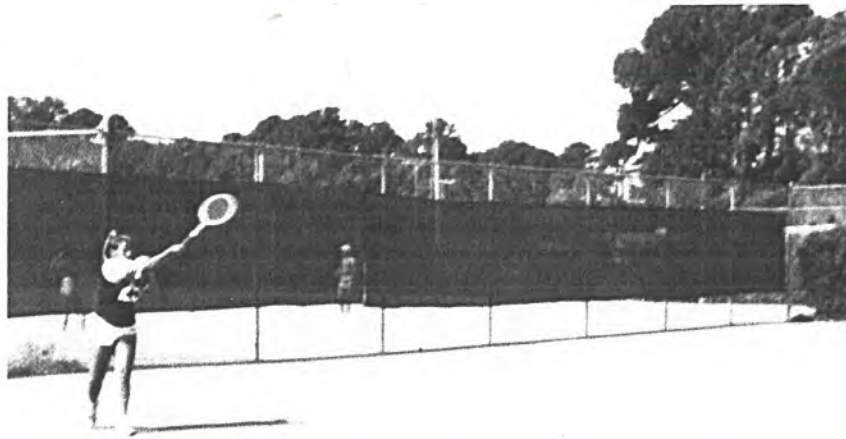

to Anier and Blackburn's success as they just did nudge past the Hollingers. The second set tiebreaker was 7-2, but the final tiebreaker (12-point with the first reaching seven with a margin of two winning) went to 6-6 before the winners took the last two.

Both teams had reached the quarterfinals of the main draw before losing.

Although this year's tournament and last year's event were slightly different, it was a repeat for Anier and Blackburn as they had taken the B title in 1981.

In a limited consolation-consolation event, Allison Annett and Mike Lynch (Sebring) won by default over Pat and Russell James (Avon Park).

A total of 17 teams entered the tourney.

**Just a
step away**

Just a step away from the top, the Sebring High girls tennis team could challenge Lakeland for the district championship this year.

Members of the team are, from left: front row — Jean Anier, Kathy Lloyd, Mary Jo Harrison and Mary Lloyd;

Girls tennis team ready to challenge for district crown

With a total of 14 years of varsity experience under their collective belts, the Sebring High girls tennis team could be stronger than ever in 1982.

Under the watchful guidance of Nancy Bates, the experienced-laden squad of three seniors, three juniors and a ninth-grade newcomer, the Blue Streaks are looking for an encore from last year's 11-2 record and runner-up spot in the district event.

"I'm looking forward to a good season," Bates said previous to the season opener in Okeechobee yesterday (Tuesday) afternoon.

Last year, the only team to outdo the Streaks was Lake Wales. With the graduation of Michael Wells and Dot Griffin, Lakeland looks to be the top girls team in Polk County in '82. "We'll have to really be on our toes for Lakeland," Bates said.

The girls will open the home portion of their schedule today (Wednesday) at home against the Lady Dreadnaughts at 3 p.m.

The first four singles spots have been pretty well nailed down during preseason practice, according to Bates, by senior Mary Lloyd, junior Kathy Lloyd, junior Jean Anier and senior Cindy Smith, in that order.

The battle between senior Mary Jo Harrison and junior Angie Gentry has been close for the final singles position and may see-saw throughout the year.

Lisa Tate is out for tennis for the first time and could see action in case of illness or injury.

Starting her fourth year on the team, Mary Lloyd expects to finish her career with a bang. Last year, Mary had a 15-2 singles record at number one, but should face tough competition from Sherin Yasrebi of Santa Fe and Worley of Lakeland.

Kathy Lloyd is beginning her third year on the team following a 16-2 season a year ago. Coach Bates said she should have a tough

number two girl. Kathy and sister Mary combined for a 14-2 record in doubles last season, including a trip to state.

"If Jean can get her mind in the right frame, she could go undefeated. She has the capability," Bates said of Jean Anier, the number three singles player. Anier is entering her third year on the team after a 14-2 record last year at number four.

Although she saw limited singles action last year, Cindy Smith will fill the number four spot in '82. "She's worked hard so far this spring. She's got the determination," Bates commented. Smith is also a three-year letterman.

Angie Gentry and Mary Jo Harrison both have a claim to the number five singles position. "Angie has shown gradual improvement. She's moving better than ever," Bates explained. "Mary Jo is playing the best tennis I've seen her play. She really

hustles, going after everything and never giving up." Both girls are beginning their third year on the team.

"In a couple of years, I expect Lisa to do well," Bates said of the freshman. Tate has only been out for the team for two weeks.

Lakeland Boys Team Wins Easily, But Not Girls

BARTOW — Both Lakeland High School's tennis teams will be in Gainesville April 28 for the state tournament, after winning, respective District 6 team titles Friday at two Polk County sites.

At Lakeland's Edgewood Courts, Tom Lindemann's boys literally breezed to their annual district crown, taking all five singles championships and both doubles divisions to easily outdistance runner-up Winter Haven.

But over at the Bartow Civic Center, Linda Williams and Co. had a much rougher go of it, finally winning the district title in the tourney's last two matches.

Entering the two doubles finals, Lakeland held a slim two-point (21-19) advantage over a gutsy Sebring team.

At No. 1, it was Mary Lloyd and Mary Jo Harrison of Sebring against Laura Lane and Wendy Rieves of Auburndale, while No. 2 matched Ann Story-Karen Maple vs. Jean Anier-Cindy Smith of Sebring. If Sebring had won both, the tourney would've ended tied, forcing a dual-match playoff for district.

But it wasn't to be. First, Lane and Rieves earned a trip to state (No. 1 Singles and Doubles winners qualify along with the winning team) by triumphing 7-6 (5-3), 6-3. That cinched the team win for Lakeland, a win accented a few moments later by Story and Maple's 6-4, 6-3 win over Anier-Smith.

For Story and Maple, it was the continuation of an unbeaten season, a season that has installed confidence in Coach Williams about the pair.

"When they went out, I felt like they should win," Williams said of Story-Maple. "Playing under pressure is a different story, but they've never lost, and they knew they had to have it."

Along with Williams' squad, and Lane-Rieves, Shirin Yasrebi of Santa Fe earned a Gainesville excursion by beating Lloyd in the No. 1 Singles final 6-1, 6-4. It continued a Yasrebi turnaround in her personal rivalry with Lloyd. After losing to the Sebring star either six or eight times straight (numbers differ according to whom you talk), Yasrebi has now beaten Lloyd four times consecutively.

"Before, against her," Yasrebi said, "I used to hit the ball out, but now I'm more consistent and I hit a lot more topspin, rather than flat groundstrokes, the way I used to hit it. And I'm a lot more patient."

Yasrebi advanced to the final by edging third seed Susie Keleher of Lakeland 7-5, 7-5, while Lloyd was pounding Lake Wales' fourth seed Jennifer Borders 6-2, 6-2. Lloyd, unseeded, had pulled the upset of the tourney

Thursday by ousting second seed Lane.

At No. 2 Singles, Story got an easy title, beating Ellen Lord 1-2, retired when the Lake Placid player severely sprained an ankle.

Anier, second seed, upset top seed Maple at No. 3 via the use of some gutsy drop shots. Scores were 6-0, 7-5.

And Anier's doubles partner, Smith, took No. 4 over second seed Kelly Plumlee of Lakeland 1-6, 6-2, 6-3. Surprising Smith was unseeded.

At No. 5 it was unbeaten Mary Wherley marching on. The Lakeland top seed beat third seed Sheila Bozeman of Auburndale 7-6 (5-2), 6-1 in that final.

In the team standings, Lakeland ended with 22 points, with Sebring second at 19 and Lake Wales — defending district titlist — third at 12. Winter Haven (8), Auburndale (8), Santa Fe (6), Avon Park (5), Lake Placid (5), Fort Meade (5), Kathleen (2), Lake

Gibson (2), Bartow (2) and Mulberry (0) followed.

Over at Edgewood, it was the expected Lakeland show, a performance led by No. 1 Bo Johnson, who won his division's final 6-2, 6-1 over Jeff Davis of Sebring. They were the top two seeds. Johnson had beaten third seed Kevin Kearns of Winter Haven 6-0, 6-0 in one semi, while Davis was edging fourth seed Charles Gibson of Lake Wales 6-2, 4-6, 6-1 in the other.

No. 2 winner was Eric Sauerberg, keeping the LHS roll on by beating Winter Haven's Mark Gray 6-4, 7-5 in another battle of the top two seeds.

Pete Adler beat Charlie Counter of Winter Haven 6-1, 6-1 at No. 3. Adler was top seed, while Counter was third, reaching the final via a 6-1, 7-5 upsetting of Sebring's second-seeded Paul Cruz.

Impressive effort by netters falls short in district tourney

(27)

Losing to a better team isn't half as hard to take as losing to an equal or lesser team. The Sebring High girls tennis team found that out Friday afternoon at the Bartow Civic Center courts.

The Lady Blue Streaks, hampered by the loss of number two player Kathy Lloyd, battled favored Lakeland down to the wire before dropping both doubles matches to settle for second-place team honors.

"Out of the 105 matches played, the final outcome came down to the last two matches on the court," explained coach Nancy Bates. "We gave them a shot, but we came back 2 points short."

Sebring was within two

team points of Lakeland entering the finals of both doubles events. In number one doubles, the top-seeded team of Laura Lane and Wendy Rieves from Auburn-dale eked out a 7-6 (5-3), 6-3 victory over Sebring's Mary Lloyd and Mary Jo Harrison to give the team title to Lakeland.

In the other doubles match-up, Cindy Smith and Jo Anier fell to Lakeland's Ann Story and Karen Maple, the top seeds, 6-4, 6-3. Smith and Anier were seeded second.

Although Bates was not looking for excuses, the loss of Lloyd may have cost them the team title and a trip to the state tourney in Gainesville. Lloyd was undefeated in number two

singles before an ankle injury (mistakenly reported in this paper as a knee injury) put her out for the season.

Bates was happy with the play of Angie Gentry, who replaced Lloyd in number two singles. The junior fought valiantly before losing to Gretchen Bates of Lake Wales 6-2, 7-6. Gentry played very little this year before the Lloyd injury. Fortunately for Bates, both will be back next year.

Sebring's number three and four singles players both won their divisions, but due to the absurd logic of the Florida High School Athletic Association, neither girls advanced to the state tourney.

Smith, playing at number ~~three~~ with a 15-2 record,

4

started off with an 'easy' match, beating Deardorff of Auburndale 6-2, 7-6 (5-1). Next in line for the unseeded yet seeded Smith was number three seed Kelly Lawson of Kathleen.

Smith won out 4-6, 6-4, 6-2 to advance to the semis. Top-seeded Kathy Nee of Winter Haven was tough, but Smith won 6-7 (0-5), 6-4, 6-1. In the finals, Smith got past number two seed Kelly Plumlee of Lakeland 1-6, 6-2, 6-3.

Smith, according to coach Bates, was originally unseeded in the event, with Nee, Plumlee, Lawson and Julies Brandies of Lake Wales the top four seeds (only four were seeded in each bracket).

Entering the district event with a 15-2 mark, the district coaches decided to make an exception and allow Smith to be the fifth seed. The top two seeds both received byes in the draw, but due to the unusual seeding, Smith ended up playing the third, first and second seeds in a row.

Sebring's Anier had almost as tough a time, having to defeat the number one and three seeds in the number three singles competition.

Anier was seeded second and received a first-round bye. She then beat Frisbie of Bartow 6-3, 6-1, third-seeded Stacey Wells of Lake Wales 6-3, 7-5, and finally Lakeland's Karen Maple, the top seed, 6-0, 7-5 for the title.

Both Sebring girls' seasons end, however, because the FHSA allows just the top number one singles player from each district to advance to the state affair.

The Lady Blue Streaks' top player, Mary Lloyd, duplicated her 1981 effort, finishing second to a Polk County player.

Lloyd, who was unseeded after having an off spring due to an illness, defeated Michele Traverse of Avon Park 6-3, 6-3, knocked off second-seeded Laura Lane of Auburndale 0-6, 6-3, 7-6 (5-1) and eliminated fourth-seeded Jennifer Borders of Lake Wales 6-2, 6-2 to make the finals.

Unbeaten Shirin Yasrebi

of Santa Fe took the title by beating Lloyd 6-1, 6-4. Last year, Lake Wales' Michael Wells kept Lloyd from a berth in the state singles event.

Sebring's number five player, Harrison, advanced to the semis through a bye (as second seed) and a 6-1, 6-1 pasting of Pauline Cannon of Ft. Meade.

Sheila Bozeman of Auburndale, seeded third, upset Harrison 6-4, 3-6, 6-2.

In the doubles, unseeded Lloyd and Harrison erased the third-seeded duo of Jennifer Borders and Gretchen Bates of Lake Wales 6-4, 7-6 (5-0) and bettered Julie Driggers and Stacy Boland (second seed) of Winter Haven 6-0, 6-2 before falling

in the finals.

At number two doubles, Smith and Anier got a first-round bye, then beat a twosome from Auburndale 6-2, 6-4 and defeated Stacey Wells and Julies Brandeis of Lake Wales 6-3, 6-2 to reach the finals.

Final team scores: Lakeland 22, Sebring 19, Lake Wales 12, Winter Haven 8, Auburndale 8, Santa Fe 6, Avon Park 5, Lake Placid 5, Ft. Meade 5, Kathleen 2, Lake Gibson 2, Bartow 2, Mulberry 0.

Final Sebring records: singles Mary Lloyd 13-5, Kathy Lloyd 13-0, Angie Gentry 2-6, Jean Anier 18-2, Cindy Smith 19-2, Mary Jo Harrison 15-4; doubles M. Lloyd-Harrison 5-2, Anier-Smith 16-4, Lloyd-Lloyd 9-0, Gentry-Harrison 3-0, K. Lloyd-Harrison 1-0, Gentry-K. Lloyd 0-1.

Girls tennis team looking for top year

16B The Sebring News, Feb. 16, 1983

Most athletic coaches will usually downplay the team's chances of success before the season even starts. Nancy Bates, coach of the Sebring High girls tennis team, is the exception to the rule.

"We expect an undefeated season. I'd be very surprised if we lose more than 2 team points in any match," Bates admitted. "The only thing that could hurt us during the regular season and district is injuries. We don't have any alternates."

Yes, in a high school sport which requires five players, Bates has only five on the team. But that may be all she needs for her second trip to Gainesville.

A team victory in the district event April 20-22 would guarantee a berth in the state playoffs April 27-30 in Gainesville. Bates, entering her ninth year as SHS girls coach, made it to Gainesville two years ago when Kathy and Mary Lloyd won the number one doubles event at district.

While Mary competes for the Florida Southern girls team in Lakeland this year, Kathy will finish up her high school career. The younger Lloyd is looking to rebound from 1982, when she had an injured ankle and was forced to miss the district tourney. Before the injury, Kathy was 13-0 in singles and 10-0 in doubles. The ankle is now 100 percent.

The only other returnees from the 12-3 squad of a year ago is senior Jean Anier. Anier, however, suffered a torn muscle recently and has been told to take it easy by her doctor. Bates said Anier, who was 18-2 in singles and 16-4 in doubles in '82, has been hitting lightly in the last week and may start the season at number 5 "to take it easy and let the injury heal", according to Bates.

Bates got some unexpected good news during the summer when Michele Traverse, the number one player from Avon Park, transferred to Sebring High due to academic course offerings which were unavailable at Avon Park. Traverse, a junior this year, finished '82 with a 10-5 record.

Girl netters

Boasting possibly the best Sebring High girls tennis team ever, this contingent is expecting to challenge for the district title and a berth

in the state playoffs in Gainesville this year. Members of the team are, from left: front row — Rachel Marrow, Jean Anier

and Beth Marrow; back row — Michele Traverse, coach Nancy Bates and Kathy Lloyd.

The expected good news for Bates is the graduation of Beth and Rachel Marrow from Sebring Middle to Sebring High. The freshmen twins were ranked number one in the state in the girls 14s before moving up to the girls 16s division this year. "They're all strong players," Bates said. "Any of them could be number one. It all depends on challenge matches."

Even though Sebring lost

Mary Lloyd (13-5 in singles), Cindy Smith (19-2), Mary Jo Harrison (15-4) and Angie Gentry (2-6), Bates thinks this is her best squad ever. "The favorite for the number one spot in district is whoever plays number one for us," Bates said. Last year's district titlist, Susan Keheler of Lakeland, chose not to play tennis for the Class 4A Dreadnaughts this year. Ann Story, who won number two competition at district for Lakeland, will be one of Polk County's top players in the chase for a trip to Gainesville.

Main team competition in the district, according to Bates, will probably come from Lakeland and possibly Lakeland Santa Fe, which has a pro as its new coach. Since Bates started as Sebring girls coach, the Blue Streaks have been either second or third in the district, but never first. Solid preseason favorites for the Heartland Conference, Sebring is looking to extend its stretch of four straight wins or ties in the postseason tourney. Lemon Bay and Okeechobee are the only teams Bates sees as providing a challenge.

Sebring girls sweep Lakeland in district

By TOM GENERAZIO
Tribune Correspondent

BARTOW — It was a clean sweep for Sebring at the Girls District 4 tennis tournament.

The Blue Streaks won every event and made it look easy.

In No. 1 singles, Rachel Marrow of Sebring shut out Kathleen Kelly Lawson 6-0, 6-0. Anne Story of Lakeland made short work of Bartow's Lisa Frisbee 6-0, 6-1.

That set up the final with top seed Marrow, who defeated second-seed Story 6-1, 6-3.

In No. 2 singles, Beth Marrow of Sebring beat Lucy Loveless of Avon

Park 6-0, 6-2. Then Karen Maple of Lakeland fell to Kathy Nee of Winter Haven 6-3, 7-5. Again the top seed beat the second seed in the final with Marrow winning 6-2, 6-2.

In No. 3, the finals pitted top seed Kathy Lloyd of Sebring against Lakeland's Kelly Plumlee, with Lloyd winning 6-0, 6-0. The situation was identical in No. 4 with Sebring's Michele Traverse topping Lakeland's Cindi Sutton 6-3, 6-4.

In No. 5, there was an upset when top seed Anne Marie Garrand of Winter Haven lost to second seed Jeanie Anier of Sebring. Garrand was the player with the most heart. She had to play two singles matches,

each going to three sets with a tie breaker. And her loss to Anier was tense all the way, 4-6, 7-6, 7-5.

In the doubles, it was also a Lakeland vs Sebring matchup. Sebring won in No. 1, scoring 6-1, 6-3, by placing the Marrow twins against Story and Plumlee.

And in No. 2, Sebring's Lloyd and Traverse defeated Maple and Sutton 6-3, 6-1.

Final team points: Sebring 28, Lakeland 17, Winter Haven 10, Auburndale 7, Santa Fe and Lake Gibson 6 each, Kathleen 5, Avon Park and Lake Wales 3 each, Bartow 2 and Fort Meade 0.

Despite the pains, Anier ^{4/29} had great tennis season ¹⁹⁸³

GAINESVILLE — Continuing her seemingly-endless battle against injury, Sebring High's Jean Anier still managed a decent go of it this season.

After winning the No. 5 singles title at last week's District 6 tennis championships (won easily by Sebring), Anier was the only area (Districts 5, 6 and 7) player seeded here, in this week's state high school tournament at the University of Florida.

Unfortunately, she also was one of the few upset victims in Wednesday's first round, losing a 7-5, 4-6, 7-5 two-hour heartbreaker to Laureen Lovett of Jacksonville Bolles.

But forget that, and remember that many found it rather miraculous Anier was here at all, much less seeded.

Her ongoing battle with pain peaked this year, and over the last two years, the data is clear: Anier leads the league in injuries.

"Over the last year and a half, two years," Anier began Wednesday, the anguish of the Lovett loss finally subsiding, "I've been hurt so much. First it was my hand, then my shoulder, then my knee and then this year it has been my groin."

The last injury has been the trouble-causer, limiting Anier's tennis specifically and her life generally.

"I've had this last injury since

Christmas Day, and for awhile the doctors thought it was a hernia, then a groin pull, then they didn't know. But now, they say it's a groin pull.

"I think I hurt myself awhile back when I was doing all these crazy exercises. I like to push myself really hard, and maybe I pushed myself too hard."

As 1983 started, Anier was on hold. She didn't even play her first prep match until March, and even then, it was a marginal effort.

"I've been playing, but only about once a week (other than matches)," Anier said. "It (the pull) still hurts too badly. It has all year. So, I never had a chance to challenge and move up from No. 5."

Playing No. 5 has not been fun for Anier, despite her success at the position and the team's overall success.

Nonetheless, Anier dealt with that pressure, enough to win that district title, enough to get seeded here at state and enough to convince Erskine College in Due West, S.C. to give her a partial scholarship.

But before Erskine, Anier said it's time to "start playing my junior tournaments again, to start getting better."

And hopefully, avoid getting hurt. That's one league-leadership Anier wants no part of any longer.

Girls qualify for state

By TOM HARDESTY

Sweeping through their matches like a frenzied tornado, the Sebring High girls tennis team dropped a bomb on the rest of the District 6 field Thursday and Friday in Bartow.

All 5 of Sebring's singles players and both of the doubles teams won every match they played, picking up the maximum number of team points — 28 — in winning the district team title and ticket to the state tournament, which starts in Gainesville today.

Coach Nancy Bates' squad, consisting of Rachel Marrow, Beth Marrow, Kathy Lloyd, Michele Traverse and Jean Anier, began play in the state meet this morning at 8:30 a.m.

Fifteen other teams in the state, plus number 1 singles and number 1 doubles district winners not on teams that qualified for the state, will be battling it out today through Saturday for state honors.

The Lady Blue Streaks won their first-ever district title Friday, outpointing Lakeland (L) with 17 points easily. Winter Haven (WH) was third with 10, followed by Auburndale (A) with 7, Lake Gibson (LG) with 6, Santa Fe (SF) with 6, Kathleen (K) with 5, Lake Wales (LW) with 3, Avon Park (AP) with 3, Bartow (B) with 2, and Ft. Meade (FM) with 0.

Sebring's top 4 singles players were all top-seeded entering the affair.

Rachel Marrow, competing in the number 1 singles slot, improved to 16-0 by cruising to her title. The SHS freshman beat Beth True (FM) 6-1, 6-0, Kelly Lawson (K) 6-0, 6-0 and Anne Story (L) 6-1, 6-3.

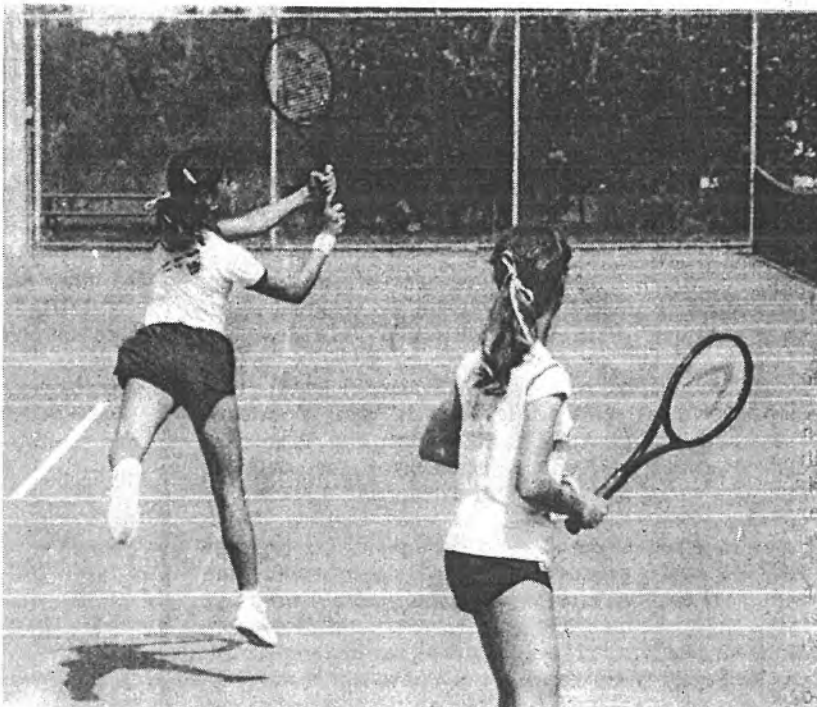

At number 2 singles, Beth Marrow also had an easy time. Beth downed Amy Welch (LG) 6-0, 6-1, Lucy Lovelace (AP) 6-0, 6-2 and Kathy Nee (L) 6-2, 6-2 enroute to her title and a 16-0 mark.

Kathy Lloyd, a senior playing at number 3, crushed Lisa Proctor (FM) 6-0, 6-0, V. Miller (LG) 6-2, 6-0 and Kelly Plumlee (L) 6-0, 6-0 for a 16-0 mark this year. Lloyd extended her undefeated mark to 29-0 for the last 2 years.

Michele Traverse, a summer transfer from Avon Park, dumped Jane Gibson (LW) 6-2, 6-3, T. Bickford (LG) 6-0, 6-0 and Cindi Sutton (L) 6-3, 6-4 to also improve to 16-0 in the number 4 spot.

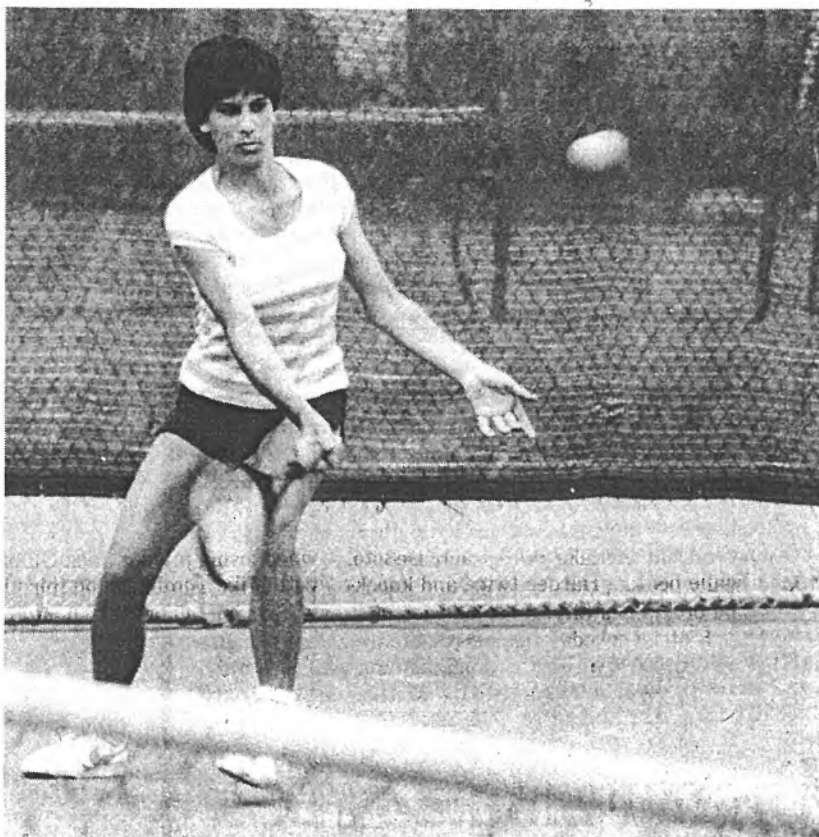

Playing at number 5, senior Jean Anier proved the district seedings wrong by upsetting top-seeded Anne

Marie Garrard of Winter Haven 4-6, 7-6 (5-0), 7-5 in a real nailbiter. Anier broke Garrard's service in the final game of the match on a drop shot.

Anier, who was seeded second, upped her record to 9-1 and avenged her only loss of the year by beating Garrard. Anier fell to Garrard 6-2, 7-5 earlier in the year when she was recovering from an injury.

In her previous matches, Anier beat Andrea Poor (LW) 6-4, 6-1 and got past Abby Smith (L) 3-6, 6-0, 7-6 (5-2) to reach the finals.

Both Sebring doubles teams had easy times, winning their divisions and improving their records to 15-0.

The Marrow twins took care of Frisbee-Black (B) 6-1, 6-0, Brandeberry-Scott (A) 6-1, 6-1 and Story-Plumlee (L) 6-1, 6-3, while Lloyd and Traverse mowed down Miller-Bickford (LG) 6-0, 6-0, Williams-Gregg (SF) 6-1, 6-1 and Karen Maple-Sutton, (L) 6-3, 6-1.

The Sebring sweep kept any Polk County players from attending the state tourney for the first time in recent memory.

The first-place finish improved Sebring's team record to 25-0 this season.

Jeff Davis top singles dist. player

By TOM HARDESTY

Starting out as the District 6 boys number 1 singles tennis show, the Lakeland event ended up as the Jeff Davis affair Friday.

Davis, top-seeded in the boys premiere singles bracket, breezed through his 3 opponents without losing a set to qualify for the state tennis tourney in Gainesville, which started today.

The Sebring High senior received a first-round bye as the top seed. In his only singles match Thursday, he rushed past Chuck Mielke of Lake Placid 6-2, 6-2. Mielke had given Davis a tough time the week before in the Heartland Conference affair, falling 7-6 (5-4), 6-4.

In Friday's semifinals, Davis avenged his only loss of the year by smacking third-seeded Kevin Kearns of Winter Haven 6-3, 6-3.

The finals were even easier for Davis, as he strolled past second-seeded Jeff Stokes of Lakeland 6-2, 6-2 for his third win of the year against him.

Against Stokes, Davis had an inauspicious start. With Stokes serving, he picked up an ace on the match's first point. Stokes went on to win the first game, but it was all Davis after that.

Davis held serve throughout the match and broke Stokes 4 times. Davis almost lost his serve in the second game of the second set, being down 3-1, but rallied for a 4-3 win and a 2-0 lead in the second set.

By the time the match was almost over, Stokes was talking to himself. With the score 5-2 and Davis serving at 3-3 in the game, his first serve just missed being an ace. On his second serve, he "went for it", won the point and the match.

By winning the number 1 singles, Davis picked up 4 team points for Sebring. The Blue Streaks finished the district event in sixth place.

Team standings: Winter Haven (WH) 24, Lakeland (L) 21, Kathleen (K) 13, Auburndale (A) 10, Santa Fe (9), SEBRING 6, Lake Wales (LW) 4, Avon Park (AP) 3, Lake Gibson (LG) 3, Lake Placid (LP) 2, Haines City (HC) 2, Bartow (B) 1, Ft. Meade (FM) 0.

The sixth-place finish left the Blue Streaks with a 19-11 record for the year.

bring: Tim Banic lost a first-rounder in number 2 singles to Chris Griffin (K) 6-0, 6-0; Clark Paterson fell to Cook (LG) 6-2, 6-1 at number 3; Juan Rameriz was beaten by Dietz (A) 6-1, 6-0 at number 4; Luis Chocron beat Lake Gibson's number 5 player 6-2, 6-3, but lost to Chris Stone (L) 6-0, 6-3 in the quarters.

Both of the Blue Streaks' doubles teams failed to reach the semifinals.

In number 1 doubles, Davis and Banic lost a tough 3-setter to Saltman and Pfiel (HC) 6-2, 2-6, 5-7.

Paterson and Rameriz gained Sebring's final team point by winning a first-round match against a pair from Ft. Meade 6-2, 6-4. Dietz and Shelton (A) ended the Streak duo's season 6-3, 6-0.

Final records: singles — Banic 3-12, Paterson 5-7, Rameriz 9-4, Chocron 10-5, Aaron Trippensee 0-4, Scott Hoeksema 0-2; doubles — Davis-Banic 9-4, Paterson-Rameriz 5-4, Rameriz-Chocron 2-1, Paterson-Trippensee 0-1, Paterson-Banic 0-1, Hoeksema-Chocron 0-1.

to reach the quarterfinals.

Jacksonville Bolles' fourth-ranked duo of Celeste Rice and Sandra Irwin ended Lloyd and Traverse's season, winning a 6-2, 6-2 decision Thursday.

For the 2 seniors on Bates' team, it was the end of a successful 4-year run.

Lloyd compiled impressive stats during the 4 years. As a freshman, she went 14-2 in singles (at number 2) and 12-3 in doubles with sister Mary. In 1981, Lloyd was 18-1 in singles (at number 1 and 2) and 16-2 in doubles, including a trip to the state meet with her sister in doubles. Last year, she went 13-0 in singles (number 2) and 10-1 in doubles, but her year was cut short by an injury.

This time around, Lloyd was 20-1 in number 3 singles and number 2 doubles. For the 4 years, Lloyd went 65-4 in singles and 58-7 in doubles.

Anier didn't do too badly, either. As a freshman, she went 5-9 in singles at number 4 and 5-6 in doubles. The following year, she was 16-2 in singles (number 4) and 9-4 in doubles.

As a junior, Anier played number 3 singles and finished 20-2, while compiling a 18-4 mark in doubles. This year, Anier was 11-2 in number 5 singles and did not play in doubles while hampered by an injury.

For her career, Anier ended with a 52-15 singles record and a 32-14 doubles

mark.

Anier recently signed a scholarship with Erskine, a college of about 600 students in South Carolina. Anier first saw the college in February, and made a return trip last month with mother Jo and father Val. All 3 liked the atmosphere. Jean is considering a degree in business, as Erskine has a good accounting program.

In related tennis news, Rachel Marrow and her mother Vi won the mother-daughter draw in the Davis Brother's Parent-Child tennis tourney in Bartow during the weekend.

Rachel and Vi downed Tillie and Stacy Mack 6-4, 7-6.

In the father-daughter division, the Macks turned the tables. John and Stacey Mack upended Al and Beth Marrow in the finals 4-6, 6-4, 6-1.
