PORCELAIN x CERAMIC TILE DESIGN

fabric look

DISCOVER OUR ASSORTMENT OF FABRIC LOOK VISUALS
INSPIRED BY THE DRAPE OF LUXURIOUS TEXTILES.

Our curated collection of Fabric Look options uses the weaving mill as a muse, delivering porcelain and ceramic tile that begs to be touched. Woven, linear and geometric patterns create a subtle reaction to light and deliver ultimate style for today's modern spaces. Each texture can stand alone as a centerpiece, or serve as a well-orchestrated pairing.

Consider the touchable texture of fabric with the unmatched strength of porcelain tile. Our award-winning fabric look tile offers a softer aesthetic without compromising durability and style.
