

An aerial night photograph of the Leipzig city skyline, enclosed within a thick yellow rectangular border. The city is illuminated by streetlights and building lights, with a dark sky above. A prominent building with a unique, jagged roofline is visible in the center. To the right, a tall building features a large, illuminated circular logo on its roof. The text "LEIPZIG, HEUTE SCHON EINEN LICHTBLICK GEHABT?" is overlaid in the center of the image.
