ROALD DAHL'S

Matilda

THE MUSICAL JR.

Our first KS3 (with the exception of the wonderful Fabian Bailey as Mrs Trunchbull) musical for over 15 years was an unqualified success. Under the brilliant artistic direction of Mr Brett and with sterling support from Mrs Elford, Miss Werry and Mr Edwards, a huge cast stormed their way through 4 packed performances that ended the Autumn Term in fine style!

Lord of The Flies

THIS CHANGES EVERYTHING

This year's Main School Production, a double bill of plays chosen and directed by Mr Gunning, delighted and challenged audiences in equal measure on the 20th and 21st of March. After several months of rehearsal, the two casts of students in Years 10-13 turned a minimalist set into a wild, tropical island and a creaking, disused oil rig through the power of performance and just a splash of clever lighting and sound!

Although highly contrasting in style and atmosphere, both plays asked vital questions about the ongoing battle between mankind's desire for equality and need for leaders and hierarchy. The pin-drop silence in the hall through both pieces was testament to the quality of the performances and story-telling.
