Welcome to the second issue of the HayesCreates Newsletter - celebrating all the enrichment performing arts activities and events that take place at Hayes School.

In this issue we say the fondest of farewells to Mr Tucker, who is moving on after 12 years at Hayes. We also focus on our recent trips, the Christmas Concert, how Joseph rehearsals are progressing and how YouTube has provided both music and drama with a library of past performances that you can all enjoy.

We'd also like to wish all a very happy festive season!

HOW WE USE

DRAMA

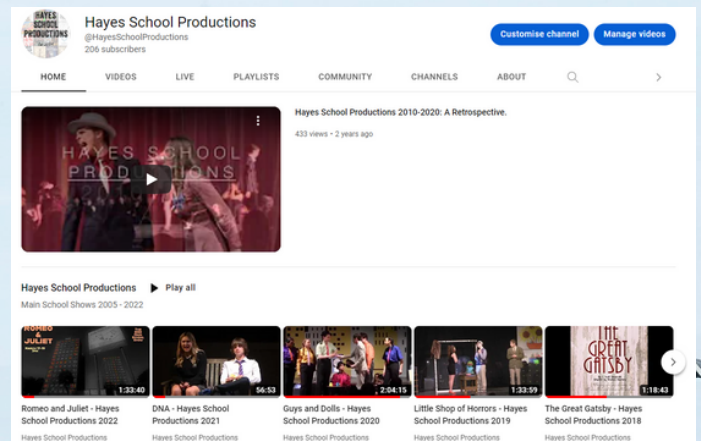

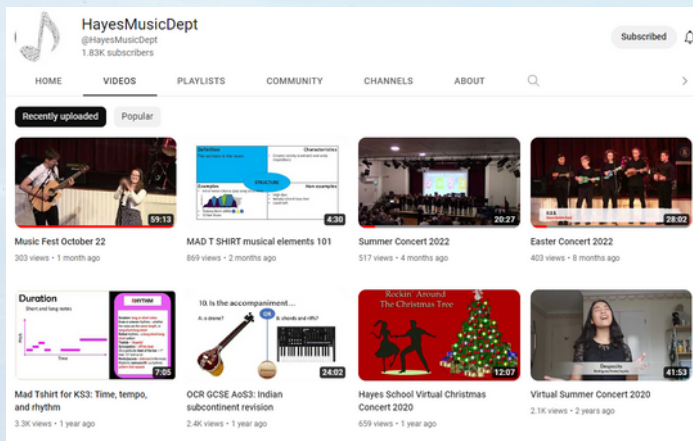

Nobody is a stranger to **YouTube** these days, but we often feel that The Hayes School Productions and Hayes Music Department YouTube Channels are the unsung heroes of our social media presence, so we're going to give them some well-earned promotion here!

[@HayesMusicDept](#) is not just a brilliant teaching resource that the music department use to post excellent teaching resources, but also where you can find recordings of all the major music events that take place each year. Over 10 years of concerts can be found with a simple scroll through the videos – and if you go back far enough, you'll find a couple of classic riffs on famous charity singles performed by Hayes Staff, many of whom are still here!

[@HayesSchoolProductions](#) is the home of the Main School Show, with full recordings of every show since 2010 and a few that go back even further! The shows themselves have a combined total of over 35,000 hits and sit alongside trailers, Hazefest highlights, and for the real oldies, Hayes School Cabaret highlights!

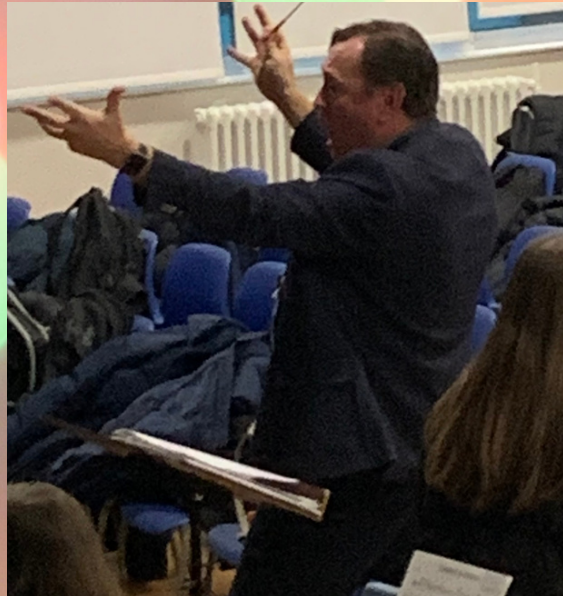

We'd love you to subscribe to both channels – they are a window into both our past and present creations!

Farewell Mr T!

It's almost impossible to measure the impact **Mr Tucker** has had on enrichment in the performing arts at Hayes. Overseeing numerous musical ensembles, creating and managing the ever-growing *Jamsesh* family, beefing up the bass in the choir, completely overhauling the sound equipment in the hall and recording studio, conducting Concert Band with his inimitable gusto and stage-managing 7 Hazefests are just a few of the things he will be remembered for over the last dozen years. We couldn't even begin to list them all.

Whether he was juggling 16 radio microphones for *Les Miserables* in 2016 or turning the Hazefest stage into a Tardis to fit all of *Jamsesh* on it, Mr T has embraced every challenge with his trademark affable charm and coolness and for once it's not an exaggeration or cliché to say he is going to be nigh on impossible to replace. The students are going to miss him immeasurably as are his colleagues and friends in the HayesCreates community.

It's been an absolute privilege, Mr T.
All the very best for your new role at Warlingham.

WHOLE SCHOOL SHOW UPDATE!

Rehearsals have been in full swing for this year's **Whole School Production**. The cast of nearly 60 students from all year groups have worked incredibly hard since the end of September, learning some complex harmonies under Miss Werry's tuition, blocking the first half of the show under the direction of Mr Gunning and getting to grips with the choreography created by our team of A Level Dance students and Mrs Jefferies.

Joseph will be performed across 4 nights from the 15th to the 18th March, with details of how to obtain tickets - and a full preview - in our next newsletter.
