"Joseph The Movie" is here!!

The full recording of this year's Whole School Show - Joseph and the Amazing Technicolour Dreamcoat is now on YouTube. We are so grateful to the team of Media and Film students who recorded the show and to Grace John, Mateo Bernardi and Mr Michael for all their work editing the footage. We think it's a highly professional piece of work, a great memento for all involved and a superb record of a show we are all very proud of.
