Do you mean an attorney? Could ask Erik Riera to get County Counsel on it?

Hmm. Okay if I start a thread with Inbal and yourself? I understand that there will need to be a change land use. It was occupied as a board and care for 6 foster youth.

Also, do you know anyone able to create a license for 2nd Story? A retired someone willing to work pro bono?

TO THE WEEKEND!!!

I don't know Adrian. Are there rules with Community Care Licensing? Did you find out if this is considered a change of use for Planning?

Hello Julie,

Inbal is questioning the timing of licensing and reporting to the neighbors. We will need be licensed by December. At what point will neighbors be alerted to this process? One month, two months, five?

Trust that I advocated strongly for building relationship with the neighbors from before we move in.
