

McCall Farmers Market 2025 Grant Application

Thank you for your interest in applying for the McCall Farmers Market annual grant funding.

Each year, the McCall Farmers Market sets aside a portion of Market profits to award to community organizations and projects that help to carry out our mission.

The mission of the McCall Farmers Market is:

- to provide access to fresh produce and other whole foods for the McCall area community;
- to improve upon the variety, quality and nutritional value of produce available in the local area;
- to promote the sale of locally and Idaho-grown farm products;
- to make healthy, regionally-produced goods accessible to lower-income residents;
- to enhance the quality of life in the Valley County area by providing a community activity which fosters social gathering and benefits the public in our region.

Eligibility: Grant funding from the McCall Farmers Market is open to any individual or organization whose work or project aligns with the mission of the MFM.

Funding limits:

You may request between \$500 and \$2500.

Application Instructions:

- Grant applications must be submitted via email only between April 1 and June 30. **The deadline is June 30, 2025 at 11:59 p.m.** Applications submitted after that will not be considered for 2024 grant funding.
- The Board will award funds as soon as possible after the deadline.
- Please send a PDF version of your application letter to mccallsfarmermarket@gmail.com (please note the exact spelling of this email address).
- In a letter **no longer than 2 single-spaced pages**, please answer all of the questions below. To answer question #6, your budget may be included as one additional page, if necessary.

1) Organization Info:

- Contact person
- Organization name (if applicable)
- Email
- Phone
- Address
- Website (if applicable)

- Organization mission statement (if applicable)

- 2) Amount requested.
- 3) Please tell us about your organization, including the people and geographical area served.
- 4) Please detail the project or area of focus this funding would support, including a timeline for spending funds and expected outcome of the project.
- 5) Please describe specifically how this project would be in alignment with or help carry out the mission of the McCall Farmers Market.
- 6) Please provide a detailed proposed budget of your project. If the McCall Farmers Market funding provides less than the full amount, please indicate what percentage or portion this funding would cover. Your budget may be included as one additional page, if necessary.
