

Family Promise  
of Western New York

## Seeking a Title Sponsor for our Light Our Future 2020 Campaign

### OUR MISSION

Family Promise of Western New York keeps families experiencing homelessness together by offering emergency housing and compassionate support as they work to find their way back home.

### OUR LIGHT THE WAY CAMPAIGN

Family Promise of Western New York has a lot of milestones to celebrate this year – a newly renovated shelter, a newly certified program and a more trauma-informed model of care. We are commemorating this moment in our organization's history with the launch of our "Light Our Future" campaign which will **dedicate our shelter with a special donor wall that will allow our community to leave their legacy of support to our program.** We have secured Buffalo-based mural artist Casey Milbrand to paint a wall in the entry of our shelter. In addition to the artwork, there will be a plaque that will commemorate all of our donors by name. The mural and plaque will be installed in our shelter in January 2021.

### We are seeking a Title Sponsor for our Light Our Future 2020 donor wall!

The Title Sponsorship level of support is \$5,000 and includes:

- Your corporation's logo at the top of the commemorative wall plaque
- Your logo on the Family Promise of WNY website with a link to your website
- Inclusion in our social media.
