## Communicating with Jessica and our office staff

Please call 570-689-1866 during office hours if you need medical  
attention or an issue addressed that day. If we do not answer, leave  
a message and we will get right back to you.

After office hours, Jessica can be reached via email or text/call  
570-813-8169 for URGENT medical matters.

After 11pm Please call Jessica with URGENT medical matters (she will  
not hear a text or email if she is sleeping!)

Non-urgent matters will be addressed within 24 business hours

4

## Appointments

~30 minutes for sick or routine follow up

~60 minutes for complete physicals, complex medical issues

\*Because we offer 30-60 minute appointments, and we keep  
appointments available for members who need same day  
appointments, we appreciate your willingness to work with us  
to find an appointment time that works for all of us

5

## Misc

~Results from testing will always be communicated to patients, whether normal or  
abnormal. If you do not hear from us within 1 week, please reach out to the office.

~All monthly membership fees are billed on the first of every month.
