

**YOU SAID YOU COULD  
DRAW**

**THE DRAWING GAME IS BACK!!!**

Side splitting fun for the entire family and your friends. Let your mind run wild in the new drawing game, **YOU SAID YOU COULD DRAW!** Here is the challenge, the drawing is done blindfolded. Sounds easy, but when the world goes dark, you'll be amazed at what your mind creates. Will your family and friends guess correctly?

**CREATED AND DESIGNED BY JAMES NIGBUR**
