Chief James Sizemore,

I am in receipt of your request to give you a letter of recognition.

Based on my understanding of who the Whitetop Band of Native Indians are and what you are trying to achieve, I am pleased to add the name of the Boyd County Fiscal Court to the list of governmental entities who have endorsed your request.

If this email is sufficient, please use it as needed. If you need a letter on letterhead, please forward your mailing address.

Best wishes in your quest for State and Federal recognition.
