Chief James Sizemore,

I am in receipt of your request to give you a letter of recognition.

Based on my understanding of who the Whitetop Band of Native Indians are and what you are trying to achieve, I am pleased to add the name of the Boyd County Fiscal Court to the list of governmental entities who have endorsed your request.

If this email is sufficient, please use it as needed. If you need a letter on letterhead, please forward your mailing address.

Best wishes in your quest for State and Federal recognition.

Steve Towler

Hello Judge, I am James Quietwolf Sizemore, Chief of The Tribe of The Whitetop Band of Native Indian's and i am responding to the email question you had about why we needed and wanted this Letter Of Suport and Recognition. We as a Tribe are located in Clay Co. Ky. and our people have been in Kentucky even before it was formed as a State and we are seeking State and Federal Recognition as a Tribe of Native Descendents. Our Tribe originally formed in 1896. We currently have 23 Ky. Counties that have given us Support Letters. We feel that if we can get the Counties in Ky. supporting our quest it would make things a little easier. We are not asking for anything from any level of Government whether its County, State or Federal, only to be recognized for what we are and that is a Tribe of Native Indian Descendents. If you would take time to consider this and give us the Letter of Recognition and Support it would be greatly appreciated by me as the Chief and our Members. The sample Letter that we sent you can be used as an example or you can use your own words to it. If you need to know anything else about us please feel free to call. My phone is [606-658-2240](tel:606-658-2240) and email is jamessizemore@live.com.... Thank you very much.
