To Whom It May Concern:

The reason for my letter today concerns the Tribe of Whitetop Band of Native Indians. It is my understanding that the purpose and mission of this Native American Community is to protect the culture and traditions of the Native American people. This Tribe has a desire - to teach children the importance of education, self-reliance and caring for the elderly and young alike.

The Estill County Fiscal Court supports the efforts to recognize the Whitetop Band of Native Indians.

Respectfully,

A handwritten signature in black ink, appearing to read "Wallace C. Taylor".
