RE: Support for the Tribe of the Whitetop Band of Native American Indians

To whom it may concern:

As Floyd County Judge Executive, I am writing in support and of recognition for the Whitetop Band of Native American Indians. My understanding is the purpose and the mission of the Tribe of the Whitetop American Indians is to protect the culture and traditions of the Native American people, to respect the burial sites of their ancestors and the future generations within the county of Floyd. The Whitetop Band of Native Indians will elect their own leaders within the Tribe, and teach their children the importance of education and self-reliance, and to care for their elderly and youth.

The county of Floyd will work with the members of the Whitetop Band of Native American Indians to show recognition of this tribe.

If I can be of further assistance please do not hesitate to contact me.

Sincerely,

Ben Hale
Floyd County Judge Executive
