

Madison County Fiscal Court

October 13, 2015

To Whom It May Concern,

I am writing with regard to the Whitetop Band of the Native Indian Tribe. As the County Judge Executive of Madison County I would like to recognize the group of Native American People and support their mission to educate and inform others of their ancestry. I respect their wishes to protect the customs, culture and history of the Whitetop Band of people. I am understanding of the Whitetop Band electing their own leaders within the Tribe, and teaching their children of self-reliance and caring skills for young and old.

The Commonwealth of Kentucky is a great center rich with history and it is important to preserve cultures that have been a part of this history. Madison County is proud to embrace efforts that will continue to promote this historical endeavor.

With regards,
