I am writing as Judge Executive of Perry County to voice my support and recognition for the Tribe of the Whitetop Band of Native Indians. As the purpose and the mission the Tribe of the Whitetop Band of Native American Community and to protect the culture and traditions of the Native American people. We also want to respect the burial sites of our ancestors that have gone before us and the further generations to come within Perry County. The Whitetop Band of Native Indians will elect their own leaders within the Tribe, and teach our children and the importance of education and self-reliance and to care for our elderly and our young.

The County will work with the members of the Whitetop Band of Native Indians to show recognition of this tribe. Once completed, we will support the efforts of The Whitetop Band of Native Indian Tribe.
