To Whom It May Concern:

As the County Judge Executive of Pulaski County I would like to express my support and recognition of The Tribe of the Whitetop Band of Native Indians. The Tribe has made clear their mission is to protect the culture and traditions of the Native American people. The Whitetop Band of Native Indians wish is to elect their own leaders within the Tribe and to pass along values such as self-reliance and the importance the family unit to their children. Clay County and the City of Manchester has stated they will work with the Tribe to show acknowledgment of this tribe, and I commend them for that.

Kentucky is blessed to have such a rich history. It is vital that we do everything we can to preserve the cultures that has formed this great Commonwealth. The Tribe of the Whitetop Band of Native Indians are, in their own way, seeking to do just that.

Sincerely,

Stephen B. Kelley, Jr
County Judge Executive
