INTERNATIONAL ACADEMY
OF ANTI-AGING MEDICINE

HEALTH FOR LONGEVITY

2026 H4L CONFERENCE

We invite you to join us as co-architects of a global legacy in healthcare.

This is an opportunity to transform lives across continents – to establish world-leading centres of preventive health, to uplift aging populations, and to create a model of care that future generations will inherit.

- **Access to 450+ in-person attendees** (clinicians, researchers, healthcare leaders)
- Virtual attendees from our **10,000-patient panel** and a global audience
- Branding opportunities across **event materials and digital platforms**

HEALTH FOR LONGEVITY

A GLOBAL SUMMIT

The **2026 H4L Conference** is held from:

June 26-28 in Edmonton, Alberta, Canada
with full virtual streaming.

Edmonton: Just a few hours away from the beautiful Banff and Jasper National Parks, Edmonton is a dynamic city known for its innovation, diversity, and vibrant community.

Banff – Blends alpine luxury with breathtaking natural beauty—mountains, lakes, hot springs, and vibrant town life.

Jasper— A serene wilderness haven with pristine lakes, rich wildlife, and dark night skies.
