- 1) The **BUYER agrees** to provide a life-long commitment, comfortable environment, prompt medical attention and responsible care. This includes keeping this puppy/dog parasite free and up to date with inoculations, proper nutrition (which consists of good quality feed given at regular intervals), and fresh water available at all times. The **BUYER promises** to provide a safe environment for the puppy/dog, and never allow the puppy/dog to roam freely without proper fencing or supervision. The Seller **REQUIRES** that the Buyer registers his/her puppy with its included AKC REUNITE Microchip within 5 business days of bringing his/her puppy home, in order to facilitate its safe return if lost or stolen at akcreunite.org.
- 2) The **SELLER guarantees** this puppy/dog to be of sound health and temperament at the time of this sale & for its **first year** of life **ONLY**. A health record of all shots and/or worming will be provided by the Seller. The Buyer agrees to take this puppy/dog to a **licensed veterinarian** of their choice, within three business days, for a physical examination. If the Buyer **does not** do this, the 1 year Health Guarantee will be **VOID**. Should the puppy/dog be determined to be in unacceptable health by the licensed veterinarian during the first three business days of ownership and/or its first year of life (1-12 months old), the cause of which the Seller is clearly to blame, the puppy/dog may, upon a **signed written diagnosis from said licensed veterinarian**, be returned & refunded for 50% of the purchase price. The puppy/dog must be returned to the Seller within two business days of the written diagnosis, no exceptions. The Seller assumes absolutely no responsibility for fees associated with caring for the puppy/dog. No other guarantees are given.
- 3) If at any time the Buyer can no longer retain possession of this puppy/dog, the Seller is to be notified, and given first option of resuming full ownership of puppy/dog, in order for the Seller to locate this puppy/dog a new home. No refunds will be given. The puppy/dog will be returned with all AKC papers and medical records. Should any circumstances arise that affect the quality of life of the puppy/dog, the Seller is to be informed, so that they may participate in determining the future of the puppy/dog. The Seller reserves the right to approve/prohibit any transfer of this puppy/dog to a third party. **Under no circumstances will this puppy/dog be sold, leased, traded or given away to any pet shop, research laboratory, animal shelter or similar facility.**
- 4) The Buyer agrees to contact the Seller immediately if any questions, or concerns, arise about the puppy/dog, such as housing, diet, or health. The Buyer also agrees to keep the Seller informed of any treatment as it occurs. This provides the Seller/Breeder with an opportunity to follow up on puppies/dogs, and gives us important feedback and information on the health of our puppies/dogs for future generations.
- 5) The Seller will provide the Buyer with a **LIMITED American Kennel Club Official Registration Form without breeding rights**, properly filled out, with all registration numbers, color and marking codes, transfer and signature. It is the responsibility of the Buyer to complete the application, name the puppy, and send the application in, along with all fees, to the American Kennel Club, either through the mail or online at akc.org.

6) The Buyer agrees not to use this dog for breeding and agrees to have it spayed/neutered at the age recommended by their veterinarian (usually 6 months to 1 year of age). The box will be marked on the registration application for LIMITED REGISTRATION, which means that the dog cannot produce AKC Registrable litters. However, it may participate in most AKC events, including Agility, Obedience and Junior Showmanship.

7) The **Buyer** agrees that should he/she decide they no longer want to take home their reserved puppy/dog from the Seller, they are forfeiting their **FULL deposit** that they've placed towards purchasing the puppy/dog. Any additional payments that have been made to the Seller, from the Buyer, will be returned at the Seller's discretion. The minimum deposit is \$400 with no maximum amount, depending on how much the Buyer would like to put down as a deposit. *Example: If you reserve your pup for a first payment (DEPOSIT) of \$800 you will not receive that \$800 back, should you cancel your reservation for a puppy/dog. However, you can apply what ever deposit you have placed towards the purchase of another puppy in the future.

The preceding paragraphs contain conditions established by the Seller to ensure the financial and physical wellbeing of the Buyer, Seller and puppy/dog. The Buyer's agreements will continue for the duration of the dog's life and the Seller will have the right to enforce the agreements.
