

Fiji Malamala Island Beach Club

Fiji Arrival Day Options

(Malamala Beach Club is a private island surrounded by *Fiji's* famous crystal clear waters, and welcomes you to the world's first beach club located on its very own *island*)

1. Early morning arrival option; arrival at the Fiji airport, and clearing customs we will have a brief riding tour of Fiji's island before heading to the pier area for breakfast or lunch. This area has dining options, and shops for shopping if you wish. Here we will relax before boarding our cruise at approximately 1:30 pm.
2. Early day of arrival option; Fiji has a popular private island called "**MALAMALA**" that could be perfect for a half-day visit to relax surrounded by water, activities, food & beverages. It has been suggested by our Fiji tourism partners, because of our early flight arrival, (approx. 5 am) this may be a welcomed option after the island tour, and before boarding our private boat at 3 pm day of arrival. (The Malamala island visit opens at 10 am, and would include the ferry to the island) Our private chartered Princess Cruise would pick you up from the shores of Malamala approximately 3:00 pm.

The cost for the Malamala optional tour is **\$48 per person** for the ferry & island visit only or **\$87 per person** for the ferry, island visit & a private buffet lunch set up. The private buffet option is only available with a minimum of 20 participants. Note: there is a restaurant & bar on the island, where you can select your own dining options. A map and video presentation of Malamala are provided. Review before making your decision. Download this link [here](https://www.youtube.com/watch?v=i9C0z26XEO8) to view the map of the Beach Club.
