"Black Paris & London" June 17 - 27, 2026

10 ngts & 11 days!

Exploring the Best of Black Paris & London; Yesterday and Today!

For anyone interested in the black history of Paris, France, and the US!

A "Black Paris" Tour offers a unique cultural experience, providing visitors with information, insight, and little-known facts about the richness of Black Paris. Our tour will take us to the hangouts, haunts, and places made famous by African and African American musicians, soldiers, writers, artists, historians, celebrities, and political exiles. From the 1800s to World War I and from the days of the Harlem Renaissance to the 1970s, they came to Paris fleeing racism in America. Along the way, they joined the list of the world's most famous Black expatriates and visitors.

With knowledgeable bilingual escorts, you'll experience the best of "Black Paris"
