August 19 - 31, 2022

Discover Morocco; Casablanca, Atlas Medina, Marrakech, Rabat, Fes & Tangier

This is a Spectacular 7 Day Tour of Northern Africa bordering the Atlantic Ocean and Mediterranean Sea. Morocco is a wondrous, eyes-open taste of the exotic, with conjurers, souks piled high with hordes of treasures and endless glasses of mint tea. It's also an adventure into some of North Africa's most stunning scenery with the desert on its doorstep and the craggy heights of the Atlas Medinas. Morocco is also a journey into a timeless, tranquil world of indigenous coastal villages, colorful-painted towns influenced by the Moors and that cling to hillsides and remote outposts and adobe forts. This fascinating country is a merging of the African world, and is steeped in age-old customs. It's no wonder Morocco has been feted by artists and writers for decades and continues to enchant all who visit. Some of the areas and places we will visit: **Casablanca, Rabat, Atlas Medina, Fes, Tangier & Marrakech**. An endless spirit offers entertainment in its Djemaa el-Fna square and souks (marketplaces) selling ceramics, jewelry and metal lanterns. The capital Rabat's Kasbah of the Udayas is a 12th-century royal fort overlooking the water.
