Words from the president

Dear Pathfinder Travel Family;

We have been blessed to travel the world together, and share experiences that will last a lifetime. Our desire to see and experience more of the world God created for us to enjoy has taken us to foreign lands; and afforded us the opportunity to be enriched by the lives and culture of other children of God around the world. Through our experiences we have bonded as family; and our Egyptian travels brought home the point that as people of color, we are all F-A-M-I-L-Y..., as reminded by Noha, our Egyptian guide. This reunion trip aspires to cast that net of family wider, and as Christians to retrace, relive, and be reawakened to our Christian roots as we together walk, "In the Footsteps of Jesus". What better way to deepen our relationship with Christ than to relive the life that transformed all our lives.

We have again partnered with Champion Service Travel to bring you the best possible 11 day experience with several payment options.

The God we serve promises "that" if we delight ourselves in him, "He will give us the desires of our heart"; and 'not deny us any good thing', Psalm 37:4 and Psalm 84:11. Let's take Him at His word. It is my hope that you will plan to delight yourself in the Lord by walking in 'the footsteps of Jesus' with us on this June 2022 pilgrimage as The Pathfinder Project; Inc. traces our Christian roots to walk "In the Footsteps of Jesus".

Peace, love, and blessings;

Gail

Frequently Asked Questions for Israel

American and Canadian citizens only need a valid passport to visit Israel. A Visa is not required for US Citizens. Other nationals should contact the Israeli consulate in their area for more information. A tourist entering Israel is allowed to stay up to three months. To extend your stay after three months, contact the Ministry of Interior Affairs.

Can I rent a car with my American or Canadian Driver's License?

You can use your driver's license in Israel for up to three months. NOTE: Travelers with small children should be cautioned to bring their own car seats for use in rental cars. This is one of the best suggestions to any traveling parent.

Health Regulations?

You must have a COVID-19 Vaccine to enter Israel. Depending on 2022 restrictions, a 72 Negative COVID test may also be required. US Citizens should be up to date on your childhood immunizations.

(Proof of a full COVID-19 Vaccine Certificate and Travel Insurance is required for this tour)

Can I use my electrical appliances in Israel?

The electric current in Israel is 220 Volts AC, single phase, 50 Hertz. Most Israeli sockets are three-pronged, but many of them can accommodate other varieties. Most luxury hotels provide hair-dryers and all hotels have sockets for U.S. shavers. Most other appliances require a converter or transformer that can be purchased at any hardware store in Israel.

What to pack? SEE WEATHER CHART ABOVE

Dress is casual by day, but dressier wear if you wish to venture out in the evenings. Conservative dress is needed for religious sites. Women are required to cover their heads with a scarf and men must wear long pants in the same areas. Weather in Israel during this season is pretty warm, so we recommend you pack light clothing and in layers; Cotton & Linen works best. Make sure to pack comfortable walking shoes as some areas are cobble stone, may be hilly, uneven and there may be a period or two of longer walking in some areas.

How can I call home?

To direct dial home from Israel, dial 001- , then the area code and then the rest of the number. The international dialing code for Israel is 972 (from outside Israel) to direct-dial Israel from overseas; omit the "0" in the local Israeli area code. We recommend you check with your cell phone provider for international plans.

Tipping?

It is customary to tip. Service charges are often included in tour packages. A 15/18 percent tip is the average in restaurants when on your leisure time. While tipping is not mandatory in taxis-locals usually don't- visitors are free to do so. **Note: For our Tour Guide & Driver, CST will collect gratuities from all travelers upon arrival; we ask that you placed in a sealed envelope in US \$ with your name on the outside of the envelope. (Suggested tipping per person is \$11 per person per day = \$99 ea.) You may do take care of your tipping in advance.**

What about Customs?

Israel has a dual channel customs clearance system. Use the Green Channel if you are only bringing: A. Personal clothing, B. Alcoholic Drinks (up to one liter per person aged at least 17) C. Perfumes (up to 1/4 liter per person) D. Tobacco (up to 250 cigarettes per person at least 17) E. Gifts, up to \$200. If you are bringing more than this, select the Red Channel.
