## September 3 - 10, 2021

### Silvera; Tangier Morocco & Spain

Explore 'Moors' History; Tangier, Seville, Granada, Cordoba & Madrid

**7- Days of rich "little known" Moors history;** starting with a ferry ride from Tangier to Spain. **Tangier**, a Moroccan port on the Strait of Gibraltar has been a strategic gateway between Africa and Europe since Phoenician times. Its whitewashed hillside medina is home to the Dar el Makhzen, a palace of the sultans that's now a museum of Moroccan artifacts. The American Legation Museum, also in the medina, documents early diplomatic relations between the U.S. and Morocco in an 1821 Moorish-style former consulate.

**Spain;** uncover the intriguing stories, legends and African history. Get a glimpse of what life was like when the Moors occupied and ruled the cities of Spain. The Moors, who ruled Spain for 800 years, introduced new scientific techniques to Europe, such as an astrolabe, a device for measuring the position of the stars and planets. Scientific progress in Astronomy, Chemistry, Physics, Mathematics, Geography and Philosophy flourished in Moorish Spain. Adventures continue as we fast train to Madrid to enjoy Spain's culture before returning home and after a renewed sense of our continuing little known history. **Let's create a new...**

Clothing type recommended is warm & cool; hand sanitizer wipes & hand wash, comfortable walking shoes, sandals, sunglasses and hat. For flying, we also recommend you bring any medication and or medical supplies needed. A “Neck-Roll” may make your flight more rewarding! Pack smart so that you are not over-burdened with lugging too many pieces of luggage. We want you to have an easy-breezy journey! PLEASE ALERT CST OF ANY DIETARY NEEDS AND OR MEDICAL EQUIPMENT YOU MAY NEED TO CARRY AT THE TIME OF REGISTRATION!

**Country Time Zone:** Morocco 5 hours ahead of US-EST <-----> Spain 5 hours ahead of US-EST

**Carrying Money:** It is the personal choice of each traveler to carry the amount of money you wish for meals not mentioned in itinerary, shopping, etc.; recommendation- minimum \$50 per person per day should be sufficient, only a suggestion; you may wish to spend more or less. *Most major credit cards are accepted in establishments.*

**Money Exchange:** The Currency in Morocco is the Dirham. Because it's a closed currency you'll most likely need to exchange cash upon arrival in Morocco. When exchanging money upon arrival, make sure that you have clean, crisp bills. Exchanging traveler's checks **can** be difficult in **Morocco**. Make sure to keep the receipts so that you can exchange any leftover Dirhams back at the end of your trip. Or even better, spend everything while you're there so you can avoid being hit twice for fees. The currency in Spain is the Euro; the US-\$ is weak in Europe. The same above rules apply when exchanging money in Spain.

**Using your Credit Card in Morocco & Spain:** When it's possible to pay for goods and services by **credit card**, MasterCard and Visa are accepted, but rarely **American Express**. Diners Club and Discover **cards** are not accepted in **Morocco**. *Morocco* is still very much a *cash* society. Throughout the country, it's very difficult to *cash* traveler's checks or *use* credit cards. Euros are by far the easiest foreign *currency* to exchange, and are often accepted as payment if you don't have any dirham on hand. Europe welcomes most payment types; however, we recommend staying away from Travelers Checks and Discover Credit Card.

**Gratuity:** It is customary as a group to offer gratitude for our Tour Guides, Drivers & Land handlers. The recommended amount for tipping is \$11 per person per day (7 days on ground & handling = \$77 per person... we ask that you place your \$US-Dollars in a sealed envelope with your name and amount on the outside of envelope for collection upon arrival OR you are welcomed to pay in advance.

**Eating food & Drinking water:** Most all foods are safe to eat, especially their cooked foods, peeled fruits & vegetables. Uncooked foods, like leafy salads are not recommended, due to it being washed in their tap water. Street foods are very delicious, however be selective in your choices. Drink only bottled water. Bottled water is widely available throughout and is relatively very cheap. You can brush your teeth with their tap water; however we suggest using bottled water.

### **Do I need Vaccinations?**

A COVID-Vaccine may be required for international travel. Other immunizations are not a requirement for US Citizens traveling to Morocco & Spain and you are up to date with routine vaccines. These vaccines include measles-mumps-rubella (MMR) vaccine, diphtheria-tetanus-pertussis vaccine, varicella (chickenpox) vaccine, polio vaccine, and your yearly flu shot. Also recommended; Hepatitis A & B. Please follow your own medical needs. You may also have had the Hep. A&B and others due to recent travel where some are life-long... consult with your physician.

**Phone Adapters & Power Converters:** Do I need Power Adapters (USA to Morocco & Spain)?
