Studio Artists

4. Gail Austin

"I invite you to visit me where I create Western landscapes and florals in oils and watercolors. This is where I hand build sculptures in earthenware ceramic clay. This is also where I teach my annual mask-making class." gailmaustinart.com

5. Jeffrey Pike

Jeffrey has made a career as a working potter. His large studio enables him to do production pottery. But his home is full of amazing creations- painting sculpture, stained glass, metal work and even jewelry.

6. Spun Studio & Supply

Come in! Unwind. Get creative. Cayenna offers a variety of custom fibers and in her cozy, country cottage. Feast your eyes on the color. Learn to weave, crochet, knit. spun.buzz
