TRANSPORTATION INFORMATION:

Most of our vacations are by Minibus and Motorcoaches. When we offer flight trip's we fly out of the Pittsburgh International Airport.

MOTORCOACHES VACATIONS:

Time Of Your Life Vacations uses motorcoaches that hold 40 to 55 travelers for our larger in size vacations. The motorcoaches are equipped with TV monitors and a DVD player, bathroom and air-conditioning. On vacations that we use motor coaches, we very rarely make comfort stops due to having a restroom on board.

MINIBUS VACATIONS:

Time Of Your Life Vacations uses a Minibus. On vacations that we use the Minibus we make comfort stops enroute to and from our destination due to not having a restroom on board.

We offer a few different pick-ups and drop off locations for our vacations.

Not all pick-up and drop off locations are available for all trips. Please see the vacation's description page to see where the pick-up and drop off locations will be offered for that vacation. An itinerary, which will include the exact departure location and address for the traveler's pickup and drop off location, will be **EMAILED** to travelers approximately two (2) weeks prior to the vacation's departure.

HOW TO SIGN UP FOR VACATIONS:

It is important to sign-up as soon as possible: Vacations are filled on a first come, first-serve basis and many vacations sell out quickly. Our Minibus vacations are groups smaller than 15 people. Our Motorcoach vacations are larger group sized and transportation is provided by motorcoach. Our flight trips vary in size.

When a vacation is full, the traveler will be added to a **waiting list**. In the event of cancellations, we will then access the waiting list. A full refund will be mailed to any traveler who requests it if they did not get called off the waiting list for their requested vacation. You may also transfer the registration fee to another vacation or maintain a credit for future vacations. We encourage all to add themselves to any sold-out vacations waiting lists as in some cases, we may add additional spots if we get enough interest. For example, a Minibus vacation only has a few spots available, if we get enough travelers on the waiting list, we may make that vacation a Motorcoach vacation and offer more spots. There is no cost to the traveler to be added to the waitlist and the traveler always has a choice if a spot comes available to take the open spot or decline it.

CONFIRMATION OF VACATIONS:

Once your deposit and/or registration are received the following will happen. Within two weeks you will receive an **EMAIL** confirmation and a Travelers Information Sheet that will need to be filled out and returned to us.

Two weeks prior to the vacation an itinerary will be **EMAILED** to the traveler confirming all details of the vacation and requesting any additional information needed from the traveler.

DEPOSITS: A deposit is required to reserve a spot for any vacation! We will hold your spot for ten business (10) days from the date of initial registration. By the 10th day we require the vacations' deposit to confirm the traveler's spot. Unless the deposit/payment has been received or other arrangements are made the "reservation" will be cancelled after ten (10) days. If the trip is less than thirty (30) days away from the date of initial registration, then final payment is due at the time of registration. **Please visit our website for more information! timeofyourlifevacations.org**

SUMMERTIME IS THE PEAK SEASON FOR ROAD CONSTRUCTION:

We all do not like to see the Orange and black signs, but it's a guarantee you will see road & bridge closures as well as

constriction this Summer! We suggest doing the following this

Summer when dropping off and picking up Travelers at their drop-off/ pickup

locations: Check PennDOT and Allegheny County alerts – Sign up for email

alerts on major projects. Allow extra time – Even short lane closures

can cause backups; factor in **10–15 minutes extra on busy routes.** We suggest arriving to the Travelers

drop off and pickup locations 15 minutes earlier than the scheduled time. Use GPS with live traffic –

Apps like Google Maps or Waze can show real-time detours and closures. Plan alternative routes in advance.
