

22nd Vitamin D Workshop
Crowne Plaza Times Square, New York, NY
May 29 – June 1, 2019

APPLICATION FOR 2019 YOUNG INVESTIGATOR AWARD

This award is for independent junior faculty conducting basic or clinical research on vitamin D. To be eligible, candidates must have been in their first faculty appointment for 5 years or less. They also must be the senior author of an abstract which describes work conducted in their lab. Selection will be based on CV, scientific merit of the abstract and letter of support. Awardees will receive \$1000 and will present their work as an oral communication or a plenary poster.
