

26th WORKSHOP ON VITAMIN D

June 24-27, 2025 Montreal, Canada

INSTRUCTIONS TO AUTHORS JOURNAL OF STEROID BIOCHEMISTRY AND MOLECULAR BIOLOGY SPECIAL ISSUE ON THE 26TH VITAMIN D WORKSHOP

The Journal of Steroid Biochemistry and Molecular Biology (JSBMB) will publish a Special Issue of peer-reviewed manuscripts describing research presented at the 26th Vitamin D Workshop. All workshop delegates who present a promoted talk or a poster at the Workshop are encouraged to submit a full-length manuscript to the Special Issue. Manuscripts must contain previously unpublished work based on the conference presentation. Authors are encouraged to be succinct. Only Invited Speakers, who are encouraged to provide a manuscript summarizing their platform presentation, may submit review articles. Please refer to the online JSBMB *Guide for Authors* at <https://www.sciencedirect.com/journal/the-journal-of-steroid-biochemistry-and-molecular-biology/publish/guide-for-authors> for detailed submission instructions.

Please note that all manuscripts submitted for the Special Issue will be peer-reviewed according to standard JSBMB criteria and therefore acceptance is not guaranteed. Manuscripts must be original publications thereby precluding submission of data that has been published or is accepted for publication elsewhere without the permission of the JSBMB editors. Please note that a plagiarism check for duplicate content is standard practice at the journal.

Manuscripts for the Vitamin D Workshop Special Issue must be submitted electronically.

- Deadline for on-line submissions for the Special Issue is **November 17, 2025**.
- The manuscripts must be uploaded via the “Submit your article” link on the JSBMB homepage <https://www.sciencedirect.com/journal/the-journal-of-steroid-biochemistry-and-molecular-biology>
- During the submission process, authors must “Select Article Type” “**VSI: 2025 Vitamin D Workshop**” from the dropdown menu. This will indicate that the manuscript is to be considered for publication in the Special Issue of the 26th Vitamin D Workshop.
