

## IF YOU ARE A NEW NORTH FLORIDA INTERGROUP REPRESENTATIVE

YOU are an important part of the OA Organization!

YOU are the only link between your meeting and Intergroup!

You are able to help your meeting in several ways:

1. Bring your meeting's monthly donation to the Intergroup Meeting and give to the Treasurer before the meeting begins. Please be sure to put your group # on the envelope or check (find your meeting # on oa.org "find a meeting." OR in the monthly newsletter donation report)
3. Bring a copy of the agenda, minutes and any other flyers or reports that you have may have downloaded from an email.
4. Be sure to take notes during the Intergroup Meeting. Report items back to your meeting the following week.
5. As you sit during the Intergroup Meeting, the Roll Call page to record attendance with contact information is being passed around; put your initials by your name or add your name your meeting name and your contact information if it is omitted.
6. Collect every flyer passed around. Keep flyers with your meeting format in the We Care Book so you or others can pass them out every week. These events may encourage other members' growth in recovery.
7. Take enough newsletters for your meeting and/or announce that it is available online at oanfig.org.
8. Join a committee that interests you or that needs volunteers.
