

Sweepstakes Classes – Payback Guidelines

Sweepstakes classes must have 4 entries to run the class and payback. If there are not enough exhibitors to run the class, the class will either be cancelled or run as a non-payback class and the difference in entry fee refunded. Sweepstakes classes are placed to 4th place. Payment allocation for placing is as follows:

- First Place – 40%
- Second Place – 30%
- Third Place – 20%
- Fourth Place – 10%

The prize pot is considered as 75% of the entry money. If additional money is added, it will be added to the prize pot directly. For example: \$10 entry fee, 20 horses shown, \$0 added money= \$150 total pot. Using this example with \$100 added, \$10 entry, 20 horses shown = \$250 total pot. Where multiple judges are used, paybacks will be made on the average.
