

OFF SIDE SHOWMANSHIP: The entire class/pattern is shown from the off (right) side of the horse. Any exhibitor showing from the left side for any length of time will not be disqualified but will be penalized accordingly. Exhibitors may be asked to pivot in either direction.

MASKED HALTER: Everyone wears a mask, any mask (fun masks, not the covid kind!)

PAIRS ENGLISH PLEASURE: For this class, an entry will consist of two exhibitors and one horse. The first exhibitor shows one direction, while the second exhibitor waits in the center. Horses line up in the center. Second exhibitor mounts and shows the other direction. Either exhibitor may be asked to back. An exhibitor may only ride one horse.

PAIRS WESTERN PLEASURE: same as above

BLIND EQUITATION: The pattern for this event will not be posted ahead of time. At the start of the class, exhibitors enter and line up nose to the rail. The first exhibitor is handed the pattern and is given 45 seconds to study it. When the time is up, the exhibitor must turn and head to the start cone to perform their pattern. This process will repeat until all exhibitors have completed their pattern.

BLIND HORSEMANSHIP: same as above

BLIND SHOWMANSHIP: same as blind horsemanship/equitation

TIMED OBSTACLE CHALLENGE: Timed obstacle course featuring both traditional and non-traditional elements. Fastest time wins!
