MHS TIGERS FOOTBALL SEASON

Dear Community Business Partner:

The Millennium Tiger Quarterback Club (MTQC) was created to support the Millennium High School Football Program. With school budgets reduced drastically over the years, parent led organizations are left to raise funds for much needed equipment and supplies. MTQC is seeking sponsors for the upcoming 2022 season with all funds raised used for the purchase of player equipment, player meals, training, etc.

Our weekly home attendance averages approximately 1,250 fans and this season we are scheduled for a full 10-week season, plus playoffs! Supporting MHS Football will put your business in front of over 12,500 fans plus exposure on our social media channels!

MTQC is a non-profit organization and all donations may be tax deductible (please see your tax advisor). Your donation will be a great help in making the 2021 season successful. For your records, our Tax ID Number is EIN #86-1003343.

If you are able to help with a contribution or would like more information on advertising or donations please contact Stacey Johnson at 602.300.3078. If you prefer to mail your donation, you may do so to MTQC, PO Box 926, Litchfield Park, AZ 85340.

Thank you for your time, donation, and your help with the success of our school and football program!

GO TIGERS!
