ABOUT US

At LUX Flooring, our passion is quality over quantity. Our beautiful colors and styles will give your floors the perfect look and feel. We pride ourselves in delivering luxury SPC vinyl and laminate products at affordable prices. We believe in our products and that's why we offer a Lifetime Residential and 15 year Commercial Warranty.

Lux Flooring has been a bicoastal importer in business since 2015. Originally based in New Jersey, LUX also has a Los Angeles branch with a 50,000 sqft warehouse. We also have distribution centers in Vegas, Phoenix, and coming in Q2, 2024: Miami & Dallas.

We have distinguished ourselves not only in the quality and durability of our products, but also in customer service and integrity, which are still viable commodities in the flooring industry. When asked what is the secret to their success, COO Jesse Woodrow replied, "When you care about quality and your customer, the rest is easy. We believe in building lifelong relationships above just generating revenue." President and Owner Ben Weinstein echoes this sentiment in our company motto: Relationship above Revenue".

As we continue to expand, we strive to maintain the personal customer relationships we have built over the years. Please contact us with any questions you might have. You may also scan the QR code below for our warranty and installation guide.
