# CHILD & BABYSITTING SAFETY

- ✓ Are you interested in starting a business, working with children and parents?
- ✓ Are you interested in building confidence and making some extra money?
- ✓ This 4-hour course is perfect for any teen or young adult interested in babysitting or those who have responsibility for caring for younger family members.
- ✓ Certification is good for 2-years.

## What You Will Learn:

- Childcare Fundamentals: Diapering, Feeding, Burping & Safe Sleep Practices
- Safety & First Aid: Injury Prevention Guidelines, Emergency Readiness, Basic First Aid
- Leadership & Play: Age-appropriate Play, Handling Conflict, & Building Confidence with Children
- Business Skills: How to Start your own Babysitting Business, Budget, Interviews with Parents, Setting Rates

All Courses Are Taught by a Certified Instructor
